RI PRESIDENT'S MESSAGE

STEPHANIE A. URCHICK

Month of August

Dear fellow Rotary members,

If we are to truly change the world with The Magic of Rotary, it's up to all of us to foster a sense of belonging in our clubs. But every club should take its own path to get there, and the Action Plan can help you find your way. What does that look like?

Take for instance the Rotary Club of Beveren-Waas in Belgium. It was chartered in 1974 but has evolved with the times, developing both a strategic plan and a membership plan. To find new members, the club analyzes the city's professions to help focus its search, and all new members are quickly assigned tasks and roles.

The club also mixes up meeting times, alternating between evening and afternoon sessions, making them accessible for all members. Sometimes, circumstances force clubs to make changes. But as people of action, we know that behind every obstacle is an opportunity.

The Rotary Club of Holyoke in Massachusetts was forced from its meeting place because of rising costs after the COVID-19 pandemic, but members took this setback and turned it into a strength. The club started meeting in a library community room that was available for no charge and catering lunch from a nearby deli. Lunch costs \$10 per person but it's optional, so no one has to spend money to attend a meeting. What a great way to work toward being "fair to all concerned."

Since making this change, the Holyoke club has gained 13 members. I suspect part of its membership growth is due to the club's sense of inclusivity — the first step toward belonging.

If you ask members what they expect from the club experience, you might find that your club doesn't meet expectations. Think of this as an opportunity to reshape your club in exciting ways, as alternative club models are making a positive impact.

For example, a Rotary Fellowship called Beers Rotarians Enjoy Worldwide, or BREW, has worked closely with the Water, Sanitation, and Hygiene Rotary Action Group for the past eight years to assist with clean water projects. In that time, BREW has funneled 25 percent of its dues to those initiatives.

BREW is one of many examples of members pursuing belonging to improve the world.

I can't stress enough the importance of belonging. Clubs become simply irresistible when all members feel that they are exactly where they need to be. To me, belonging is the spark that ignites *The Magic of Rotary*.

As you receive feedback from club members and the community you serve, I urge you to pursue that spark. The Action Plan can help you find the path to success, and if you light your way with the spirit of belonging, that path will lead to a bright future for your club, your community, and the world.

ANNOUNCEMENTS AND OTHERS

ROTARY'S SERVICE PROJECT CENTER LAUNCHES

The [Service Project Center](#), Rotary's new digital platform for service activities, has launched. It gives members more opportunities to manage service projects and share stories, best practices, and interests.

With the introduction of this platform, Rotary Showcase has been retired. All Rotary and Rotaract service projects have been transferred to the Service Project Center.

The Service Project Center is faster than the old system and offers a consistent experience across devices and screen sizes. It collects more accurate project location data and provides project management access to all club officers. Users can manage projects from mobile devices and easily share project links in email and on social media platforms such as Facebook, WhatsApp, and LinkedIn.

In the future, the platform will include a world map of projects, the ability to search for projects by language, and additional resources to help implement projects.

The Service Project Center is a significant asset in Rotary's effort to engage participants more effectively and increase impact. Users can tell project stories more fully, demonstrating their effectiveness to potential members, partners, and donors. There are more opportunities to provide photos and details, making the project process more transparent and giving members more ways to feel pride in their results.

Visit the [Service Project Center](#) regularly to record and update project details.

SECRETARY'S REPORT

JOAN MAE M. MARILAO

On August 9, 2024, President Jerson and I attended the ACOM at Roadway Inn, JP Laurel Avenue, Davao City. Several matters were discussed and approved by the Committee. This is our first time to represent the Club for the Rotary Year 2024-2025.

On the other hand, President Jerson handed Financial Assistance to the victims of the vehicular accident at Municipality of Pantukan Davao de Oro. Later in the afternoon, Food packs were also given to the said family.

On August 13, 2024, we also started providing Educational Assistance to Students and Graduates from State Universities and Colleges in the Region as our Signature Project. The said Project is in Coordination with the National Government thru the Office of Senator Imee R. Marcos, DSWD with a Grant amounting to P18,000,000.00 more or less. (Please see photo on Page 8).

PRESIDENT'S PAGE

JERSON M. DEDEL

In my previous message, I mentioned the obstacles and challenges faced by our Club. This time, let us move on to a new beginning. While we recognize and acclaim the achievements, starting with a new identity perhaps will help us be more focused on our goals and objectives. Yesterday is History, Today is the Future and Tomorrow is our Accomplishments. Let us make History our basis for the Future and achieve our Accomplishments.

Also, I am happy to inform you that our Club, in Coordination with the National Government thru the Office of Senator Imee R. Marcos will commence the Distribution of the Cash for Work program to Graduates and Students in three (3) State colleges.

Thank you and God bless us all!
