## Four-Way Test and Object of Rotary

### The Four-Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

### Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST: The development of acquaintance as an opportunity for service;
- SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH: The advancement of international fellowship of business and professional persons united in the ideal of service.

 Strengthened by nothing but the truth;  
 Let's join our hands, there's no reason we'll divide.  
 We shall all understand, why the good Lord is our guide.

**Gordon R. McNally**  
President, Rotary Int'l

These are times that cry out for peace. The Middle East is in its most volatile condition in years. The war in Ukraine is the largest in Europe since World War II, and there are armed conflicts in Sudan and parts of Central Africa. Nearly every continent is experiencing a major armed conflict.

Rotary has a vital role to play in advancing the cause of peace — I often say Rotary needs to work toward peace as aggressively as those who wish to wage war. It's the spirit found in our vision statement: "Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

We must never lose track of that last call — that to bring about change in the world, we need to foster change within.

It is up to us to model peacebuilding behavior among each other. We can do better than questioning the motives of one another and jumping to the harshest possible explanation. After hearing words that might strain or offend us, we have an opportunity to ask, with compassion and curiosity, the intent of those offending words. And then we have another opportunity to repair the breach.

If we wish to be a beacon to the world, let us start by being so to one another. Let's help each other find greater understanding and productive alternatives to words that cause hurt and distrust. And let's stick to our principles, but never doubt the sincerity of each other to end conflicts, not inflame them.

I'm reminded of a speech that U.S. Senator Robert Kennedy made on 4 April 1968, that dreadful day when the Rev. Martin Luther King Jr. was assassinated. Kennedy was in Indianapolis speaking to an audience in a predominantly African American neighborhood where people had yet to learn that Dr. King had been killed.

# R.I. President's Message (April)

**Gordon R. McInally**  
President, Rotary Int'l

He shared the terrible news. He honored Dr. King for all he had done for the cause of justice and peace. And then he connected with the fuming, grieving crowd by saying: "For those of you who are Black and are tempted to be filled with hatred and distrust at the injustice of such an act, against all white people, I can only say that I feel in my own heart the same kind of feeling. I had a member of my family killed." It was the first time he had spoken publicly about President John F. Kennedy's assassination. And while many American cities exploded in violence that night, Indianapolis did not.

It is in times of crisis and despair that we need empathy most of all. Empathy is the most powerful tool of peace, and it is vital if we are to take the first brave, humble steps to Create Hope in the World.

# 39th Induction and Hand-Over Ceremonies

*District Governor's Message*

**ROZANNE "TWINKLE" GAMBOA**  
DISTRICT GOVERNOR  
DISTRICT 3860, RY2023-2024

Greetings!

Congratulations to the Club Officers of the Rotary Club of Cebu Port Center for the Hope-Creating Rotary Year 2023-2024.

As we embark on a new Rotary Year, we will be energized by a renewed spirit to lead in the world. We have set our District Goals as guided by the Rotary Citation.

We emphasized some innovations, such as updating our Club Constitution and By-laws to improve the basis of our Governance in the Club. With a uniform set of rules as suggested by Rotary International, we will be confident that it is attuned to the intent of our highest governing body.

Another new program is our service project on mental awareness entitled, Breaking the Sigma. In a world full of complex things, primarily upon the influence and interventions of social media, our members would be vulnerable to information overload that are sometimes inadequately processed. These may even result in a disturbed mind. As a response, our Rotary International President, Dr. Gordon R. McInally, suggests putting awareness on mental health awareness at the Club level and treating it like any other disorder, which accordingly may be rightfully addressed if anticipated and detected.

There are a lot more of these innovations. Still, our organization, Rotary International, has always trusted our Club leaders to do what they think is appropriate regarding culture and environment. We Filipinos have this natural talent to understand and address things surrounding us.

So as we begin with a new set of Club leaders, it is always in my prayers that success will always be the guiding word as we embark on our volunteer work of serving above ourselves.

I wish the new Club Officers the best of luck and always be mindful that your District is always here to support you with all you do.

*City Mayor's Message*

**HON. MICHAEL RAMA**  
Cebu City Mayor

Pleasant Greetings!

As Mayor of this vibrant city, I would like to extend my congratulations to the **Rotary Club of Cebu Port Centre** which is celebrating its **39th Induction and Hand Over Ceremonies**.

To the new set of Officers and Board of Directors for RY 2023-2024, I wish you the best of luck as you start another year of fulfilling your purpose, serving our community and creating a lasting change.

The City of Government of Cebu will continue to support the Rotary in its endeavors, especially now that we are on the journey of fulfilling our vision of a Singapore-like Cebu City.

This is a tall order for us. That is why the City Government needs everyone's help. The Rotary Club, through your meaningful activities, definitely play a vital role in this pursuit.

I am looking forward to a fruitful term with you because together, we can make greater things happen for Cebu City.

In God we trust. Daghang Salamat!

# DISTRICT GOVERNOR'S MESSAGE

Dear Fellow Rotarians,

HAPPY NEW YEAR! Here's hoping you had a great holiday vacation and enjoyed every moment of it. It is time to settle down and review your accomplishments for the past year.

As we begin another year of service, let us focus on this month of January on vocational service. You joined Rotary as a proud representative of your profession and vocation. In your classification talks, you share your expertise and experiences. This gives you the dual responsibility of representing your vocation and of exemplifying the ideals of Rotary service within your clubs.

In our professions and vocation, let us be guided by the Declaration of Rotarians in Business and Profession, especially on what is most expected of you on number #1 - "Consider my vocation as an opportunity to serve." and number #3 - "Do all my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation"

To commemorate Vocational Service Month, I urge all Rotarians in District 3860 to support community programs like training people in the community with livelihood skills that could generate for them a source of income and to help the graduating students or young ones in their choice of profession or vocation through a Career Guidance project.

As Rotarians, you are role models as well as leaders of your vocation. Vocational service can lead to projects that do not only develop vocational skills and the ethical consciousness of Rotarians but also the talents in the community. One the outstanding project would be to present a vocational award to one in the community who have exemplified outstanding professional achievement while maintaining very high ethical standards. You may consider it an annual vocational project.

Young people are our future, and Rotarians can take the lead in vocational service to gain a better life and foundation to benefit all. It is a beautiful way to fulfill Rotary's motto is SERVICE ABOVE SELF.
