THE 4-WAY TEST

of the things, we think, say, or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL and BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all?

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: Mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individual that report harassment.

THE HISTORY OF OUR CLUB

Our existence as a new club is rather swift but long in preparation, expeditious but not impulsive. We loosely met somewhere in June 2010 as old fellas trying to rekindle the flames of camaraderie and bonding. Like old shoes that fit easily, we jelled well and got serious in our intention of putting up a club in the months that followed.

We submitted our documents for application in Mid-October of 2010 and then paid our registration fees on the 5th of November 2010. While waiting, at least for of our prospective members were asked at random by the Rotary International just to gauge whether we are able, willing, and ready to be recognized as a club.

On the 4th of December 2010, we learned that our club got the resounding approval effective 26th day of November 2010 by the Rotary International which made us jubilant and awed. In six months, more or less, we were hatched as a new club ready to take the challenge.

Our existence likewise is sort of paradoxical. We are young but not neophytes. On the other hand, we are mature enough but not that old. We are simply as old as our fears before, and now we are young as our hopes.

Like the Phoenix, we have just risen from the ashes of our past and now we are born again. Like a seed that has fallen on the ground and died, we have now germinated and started to welcome the sun. Like the lyrics of the song rendered in a rephrased manner, we have just shed our leaves in winter only to make them grow back in spring. Like a ball, we have hit the bottom and now we are bouncing back again.

We may profound that just like a butterfly, we have metamorphosed and emerged from the cocoon as a new creation and it dawned on us - as if during the 6th day of God's creation that we found ourselves complete in our complementation and it was very good.

We come a long way and we intend to continue via a brand new start, believing that we have promises to keep and miles to go in order for us to continue fulfilling our mission to the lest of our brethren. And continue we shall, considering that "They profit who serve best."

Happy Birthday

Almar

The Rotaract District Leadership Training held last April 19-21, 2024 in Tacloban City, Leyte stands as a flare of leadership development and empowerment for Rotaractors across District 3860. This yearly event provides an important forum for developing leadership abilities, promoting collaboration, and inspiring action, enabling Rotaractors to lead with purpose and impact for the upcoming Rotary Year.

Through interactive sessions, attendees gain insights into effective leadership practices, project management, and Rotary's mission and values. This training serves as a hub for collaboration and networking among Rotaractors. Participants have the opportunity to connect with peers from different clubs, exchange ideas, and forge partnerships for future projects.

This is not just about acquiring skills; it's also about inspiring action and service. Through motivational talks and success stories shared by experienced Rotaractors and Rotary leaders, attendees are encouraged to think big, dream boldly, and take action to make a positive difference in their communities.

Present during the event is Deputy District Rotaract Representative for Mindanao Christian Jade G. Azura, PP Sheila O. Burdeos, President-Elect Shekinah Marie M. Eupeña of Rotaract Club of Central Butuan, and President-Elect Cheena Mari R. Banico of Rotaract Club of Central Butuan-Caraga State University.

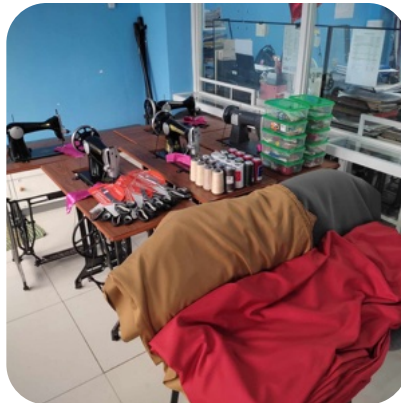

Ultimately, the Rotaract District Leadership Training is about empowering future leaders. It provides Rotaractors with the skills, knowledge, and inspiration they need to lead with purpose, make a difference in their communities, and carry forward the mission of Rotary. By investing in leadership development, Rotary ensures that its mission of service above self continues to thrive, with a new generation of leaders at the helm.

SEWPER NANAY

Rotaract Club of Central Butuan's project, SEWPER Nanay, has taken a significant step towards empowering solo parents in Barangay Ong Yiu, Butuan City.

This project aims to empower solo parents by providing them with sewing equipment, training, and courses. This initiative recognizes the challenges faced by solo parents in providing for their families and seeks to equip them with the skills and resources needed to generate income and improve their livelihood. The approval of the District Grant for is an instrument to the project's merit and potential impact.

This grant not only provides the necessary funding to implement the project but also signifies the support and recognition of Rotary International District 3860 officials for the club's efforts in addressing a pressing community need. Headed by Hope-Creating President Almar E. Dela Cerna hand-in-hand with PP Sheila O. Burdeos and the rest of the club members had a successful turnover of the equipment and supplies to the beneficiaries with the support of Hon. Wilbert Ejós, the Punong Barangay.

This is not just a one-time project; it is part of a long-term vision for community development. The skills and resources provided to solo parent beneficiaries will enable them to become self-sufficient and contribute to the local economy. Moreover, the project's sustainability is ensured through partnerships with local organizations and ongoing support from the Rotaract Club of Central Butuan.

As SEWPER Nanay begins to take shape, the Rotaract Club of Central Butuan is already looking towards the future. What started as a two-year vision has now become a tangible reality.
