Sic Parvis Magna

DIR. NATHAN JOSEPH RAMACHO

*Club Administration
RY 2023-2024*

ABOUT 450 YEARS AGO, Sir Francis Drake made marked his name in history by circumnavigating the world in a single expedition for the English. This was the first English circumnavigation of the Earth, and the third circumnavigation of the Earth overall for any country at that time.

Because of this and may other voyages, Queen Elizabeth granted Sir Francis Drake a family crest with the Latin motto 'Sic Parvis Magna' which translates as 'Great things from Small Beginnings', a reference to his humble start in life. Great things from small beginnings is the epitome of RCDN as a club. In its 40 years RCDN has made its mark not only in Dumaguete City and Negros Oriental, but in Rotary District 3860.

Although all of our projects have some level of positive effect on the community, one project that embodies Great Things from Small Beginnings is our Citronella project spearheaded by our very own Director Max Tenorio. The reason why it has become successful and now renowned throughout higher levels of the Rotary

organization is because it is: novel; cost effective; effectively communicated to the community; educational; and effective, to name a few. Moreover the Citronella project is not constrained to just simply planting or distributing Citronella seedlings in certain areas that are needed. It can be expanded to other projects, which are currently being brainstormed, such as extracting its oils for other uses. There are many variations and offshoots of the Citronella project that can be developed by RCDN.

Secretary Greg intimated last meeting on his thoughts concerning how this relatively small group in Dumaguete City was being recognized in Davao during the District Convention and why we should feel proud of what we have accomplished as a group; and rightfully so, we should be proud.

Our group, although small, and our Signature Project, although new and has room for development, have both humble beginnings but are now great in their respective ways.

PRESIDENT'S MESSAGE

The Last Mile

Pres. JOSEPH V. TUMACOLE

RCDN Hope Creating President

RY 2023-2024

AS WE APPROACH the final 23 days of my term as your Hope Creating President, I want to take a moment to reflect on the incredible journey we've had together and share a message of hope and the possibility for the days that lie ahead.

Creating Hope for the Future. Our beloved Rotary Club has always been a beacon of hope in our community. We have unequivocally demonstrated, time and again, that through our unity, dedication and a shared vision and purpose, we can overcome any challenge and achieve great things. As I prepare to pass the torch to our next president, I am filled with optimism about what we can still accomplish together.

What We Can Still Achieve? With 23 days remaining, there is still much we can do. Here are a few areas where our collective efforts can continue to make a significant impact:

On TRF Mandatory Goals: I encourage everyone, especially those who are listed in RI to contribute to the Annual Fund and Polio Fund to become eligible for *EREY* or be a *PAUL HARRIS FELLOW*.

On Club Service Projects: There are two for this month. First, I am encouraging everyone to join and support the Mass Blood Donation Event at the Negros Polymedic Hospital on

June 14, 2024 in honor of the World Blood Donation Day. Second, support and join our Rotary New Year Activity this 30th of June 2024 at the *Bata ng Calabnogan*, Sibulan.

On Strengthening Our Bonds: By joining the fellowships after each regular meeting to celebrate our achievements and thus reinforce the camaraderie that makes our club strong.

On Preparing for a Smooth Transition: We shall all work closely with the incoming president, Rtn. Rodel V. Solon, to ensure a seamless transition. Share insights, documents, and strategies that have been effective. Empower our different committees to set clear goals and priorities for the upcoming year.

I am incredibly grateful for each one of you. Your commitment, passion, and hard work have been the heart of our successes this Hope Creating year. In these remaining days, let's continue to embody the Rotary spirit of service above self. Together, we can finish this term on a high note, setting a strong foundation for the future.

Let us embrace these final days with enthusiasm and a renewed sense of purpose. Every action we take, no matter how small, can create ripples of positive change in our community.

Thank you for your unwavering support and dedication. Let's make these last 23 days count!!!

WHY THE ROTARY YEAR BEGINS 1 JULY

Ever wonder why 1 July is the beginning of the Rotary year? Initially, our conventions played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

The next August, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and to determine the proper number of club delegates to the convention.

The executive committee agreed and, in April 1913, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even The Rotarian changed its volume numbering system to correspond to the fiscal year (beginning with Volume 5, No. 1, in July 1914).

Attendees at Rotary's first convention in Chicago in 1910. Rotary's first fiscal year began the day after the convention ended.

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in The Rotarian that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.
