ROTARY INFORMATION

WHAT IS ROTARY?

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

OUR MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Rational Ramblings of a Rotarian

by ROTARIAN ALAN CABIJE JR.

It is the time of the year wherein the festivities and celebrations of the previous year are but distant memories. For some, the pangs of the depreciation of hard-earned resources are still felt. But what we cannot escape is the fact that we are now nearing the end of the first month of the year, January.

January, as a month in a year is quite peculiar. For the writer, January carries with it a symphony of emotions that are both rational and irrational.

Like any other Monday, one might feel weary, being accustomed to the bliss of the Christmas holiday. It is a harsh wake-up call that we are now back to our daily grind, and resume whatever life quests we may be on. After all, we still have more than 11 months to go to culminate this year.

Nevertheless, looking forward, we cannot help but feel a certain joy about being given a chance to live, to do what we ought or need to do, and/or change what we need to change. It is the season to work on our New Year's resolution, or fail trying.

People might also feel the anxiety for the

unknown. As we might have experienced, one does not truly know what tomorrow brings. Tomorrow is what has never been, but always will be. Despite man's innate fear of the uncertainty, man is gifted with the choice to prepare and arm himself to be ready to navigate the river called life.

Personally, for the writer, January is quite interesting. The writer would like to seize the opportunity to thank the RCDN for their warm and friendly welcome. The Friday night regular meetings are a welcome and much needed break from the stress and rigors of everyday living. It is not only an opportunity to drink beer, but to sip from the cup of wisdom from friends that have more knowledge in life.

As a member of RCDN, the writer looks in eager anticipation of the changes and activities for this year, knowing and hoping that he might prove himself useful as a member, and confident that whatever challenges that might arise, it will not be too difficult as he is with a community of friends that he now calls brothers.
