Rotary Club of Marbel Original Theme Song
(Lyrics: PP Camilo Dajay, Composer: Ryan)

When life becomes short and complicated

When all you see is poverty and misery

When you are bored and discontented

And your days seem cold and dreary

It's time to get up, move on, and make new friends

The joy of serving others

Is felt by each Rotarian

Come take your place under the sun

Join us and have so much fun

If you want to be happy

Join Rotary

If you want to be loved

Embrace Rotary

If you want peace and harmony

Serve with Rotary

Inspiring Quote

The club is a proud recipient of various TRF Matching Grants such as Adopt-a-Harelip Project with the Rotaract Club of Johor Bahru (Malaysia) of District 3310, Vitamin A supplementation, and cataract operation. The club has been also a recipient of World Community Service projects from RI District 2790 of Chiba, Japan on school building construction, feeding program, literacy, water supply and sanitation, cataract and harelip operation.

In cooperation with international and national medical societies, the club hosted medical and dental missions for various indigent communities in South Cotabato. This project was awarded as the Most Outstanding by the District. The club itself is also a recipient of numerous "Most Outstanding Club awards" in recognition for its dedication and commitment to do fair share in making the community a better place to live.

In 2005-2010, Koronadal City and Department of Education City Division awarded the club as one of the outstanding civic organization in Koronadal City during its Charter Day celebration.

The club had garnered string of awards from Rotary International and District. The highly-esteemed name it had carved in the community is a clear sign that it had accomplished its goals. It is not a reason to complacent, however. Every Rotary Year president aims to equal, or even surpass, the outstanding achievement that their predecessors had consummated for the club. To widen our network, expand our collaborative work for the good of humanity, we forged sisterhood agreements with Singapore, Johor Bahru, Davao, and Alabang LAMPARA.

The club is not only well-known for the delivery of service projects but also its contributions to The Rotary Foundation (TRF). It produced the first Paul Harris Fellow in the Rotary Year 1994-1995. From then onwards, annual contribution to TRF becomes usual thus, became a Paul Harris Fellow (PHF) Club in 2018 and still consistently generous until today. Also, some club members doing great service as district and club officers.

Apart from its zeal to extend help to the needy, members became popular in District 3860 with their unique innovations in folk and modern dances.

The strength of the club lies in each member's commitment to the motto 'Service above Self' and to a feeling of unity within the Rotary Club of Marbel family. Whether it is in the good times to work together on club projects or during the sad times having personal tragedies. Membership retention is vitally important to retain a solid core and membership development is important for the long-term future of the club. The club is proud to have among its members outstanding leaders in the community not only in their respective professions or businesses but also in their passionate involvement in the Rotary service.

These may not be much crow about, but in humble way, the Rotary Club of Marbel during its 43 years of journey had shared time and resources with the least of the brethren in places and instances most appreciated. Through the years, it delivered myriads of projects benefitting the less fortunate members of the community.

Our commitment of service never ends. The Rotary Club of Marbel will continue to serve the humanity to be an inspiration in helping to change lives and creating hope in the world!

It started when Attorney Paul Harris desired for camaraderie among business associates brought together of four men in downtown Chicago. After practice of subsequent rotating meeting location, they decided to call it as Rotary Club of which eventually led to an international organization of service and fellowship. The organization's dedication to this ideal is best expressed in its motto: Service Above Self.

As Rotary grew, members pooled their resources and used their talents to serve their communities. There are 34,282 member clubs worldwide, 1.2 million neighbors, friends, and community leaders called Rotarians have joined these clubs to create positive, lasting change in the communities around the globe.

The Rotary Club of Koronadal then, was the only Rotary Club in the municipality of Marbel (now City of Koronadal). The committee on Club Extension headed by Past President (PP) Tolosa came up to the idea of forming one additional club in the growing City of Koronadal. In mid-1979, they searched for young, dynamic and well-respected professionals who will compose the new club.

It was June 30, 1980 when the Rotary Club of Marbel (Koronadal) has been approved by Rotary International (RI). The late PP Gerardo Calaliman was the Charter President who led the club its birth pains, surviving the odds and establishing a name worthy of respect and prestige that every Rotary Club brings. As years sped fast, new blood was brought in regardless of religion, gender, or political preference.

The club's flagship projects includes medical, dental, and surgical mission; literacy and feeding; career orientation to graduating high school students; anti-bullying and I love English campaign; Adopt-a-Day Care Centers; support the school for the deaf at Koronadal Pilot Elementary School; annual December gift-giving and feeding; breast cancer awareness activities; environmental projects such as tree planting in the mountain areas of Lake Sebu and City of Koronadal, coastal clean-up in the shores of Sarangani Bay and General Santos City as well as B'lok Creek together with different national line agencies. All One Rotary, One District activities were also participated.

The club sponsored the Rotaract Club of Notre Dame of Marbel University (school-based) in 1988 and organized the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. The Rotaract Club of Korbel (school-based) and Interact Club of Korbel were also organized during the inspiring Rotary year 2018-2019. During the pandemic era in 2021, the first community-based – Rotaract Club of Marbel was born which composed of young professionals.

Presidential MESSAGE

MAY 2024

R. Gordon R. MacInally
RI President 2023-2024

I am deeply gratified by the enthusiasm shown across the world in the past year to better support the mental health needs of each other and the people we serve.

In January 2023 when I first spoke about the need for Rotary to become more engaged on this crisis, I noted that the global mental health system couldn't be described as broken only because it didn't exist. But I also offered a highly aspirational wish that Rotary could help build that system.

The first glimmers of this vision have been brought to light by you in dozens of mental health projects. But just as important is the invitation many of you have given to fellow Rotary members to share their stories. I am impressed by the leadership young Rotarians and Rotaractors have shown and by the brave, inspiring stories they have shared. Former Rotaractor Freddie Almazan, a survivor of gun violence who refused to give in to despair, has an especially powerful personal narrative that you can hear firsthand at this month's Rotary International Convention in Singapore.

To create lasting change, the work we do needs to have a sustainable [impact](#) on the people and communities we serve. One great example of that kind of impact: Rotary clubs in Colorado endowing a pediatric mental health fellowship at Children's Hospital Colorado.

At the convention, you can also hear from 2024 People of Action honorees lauded for the impact they and their clubs have made through mental health initiatives. Bindi Rajasegaran will talk about a Rotary-led project in Malaysia helping children develop skills to cope with mental health challenges and building capacity for support throughout the country.

In addition, Rita Aggarwal, an officer of the Rotary Action Group on Mental Health Initiatives, will be recognized for her success in applying the Wellness in a Box framework, a mental health literacy approach for adolescents, in her hometown of Nagpur, India. This highly scalable and clinically backed framework can be adapted for use just about anywhere — reach out to the action group if your club would like to support or implement it.

As we look ahead, the Rotary Action Group on Mental Health Initiatives will play a critical leadership role in promoting proven, measurable projects. In doing so, it will empower clubs to focus on initiatives that drive scalable, sustainable impact.

I invite you to go to the Learning Center on My Rotary and check out the Increase Your Impact series, which includes a wonderful short video explaining impact. When we focus on impact, we bring Rotary's vision statement to life. creating lasting change across the globe. in our communities. and in ourselves.

Trustee's Chair Message

MAY 2024

There is something magical about Rotary. Even after all these years of being a member, I continue to be amazed by it.

Take successful leaders from various backgrounds and professions and bring them together under a set of core values with service at the center. Add networks and friendship and then watch the magic start happening.

It's you — Rotarians and Rotaractors — who make that magic happen. You are the business and community leaders and the entrepreneurs who bring your passions, skills, and interests to everything we do. It's you who think outside of the box and apply what you know to serve others.

I see the same magic in Rotary Foundation grants that are funded by you and led by you.

It's present in the partnership between Rotary clubs in Canada and Uganda that supports economic and community development vocational training at the same time. This global grant-funded initiative trains Ugandan youths in welding and related skills to make wheelchairs for a children's home serving people with disabilities. Technicians receive training in Canada and return home with valuable skills to start enterprises, helping meet the need for wheelchairs in the community.

Another global grant-supported project that reflects Rotary's entrepreneurial spirit is in Guatemala. To address the challenges of limited internet access for rural schools, a host club in Guatemala partnered with Irish members to initiate a project that is equipping six schools and three community centers in the rural Sololá area with plug-and-play servers containing educational materials like books and videos. The grant also furnishes laptops and uninterruptible power supplies and trains teachers, benefiting about 1,800 individuals as it leverages technology for literacy and education.

Don't forget: Foundation global grants also support scholarships. One such scholarship, sponsored by Italian and German clubs, focuses on artificial intelligence in disease prevention and treatment. Italian scholar Salvatore Galati conducted research at a university in Bonn, Germany, using AI algorithms to analyze vast datasets for innovative drug development. Such computer-aided approaches can reduce costs and research time in the development of lifesaving drugs.

It's fantastic to see us innovating and incorporating new approaches and technology into our Foundation grants.

I look forward to meeting many of you at the 2024 Rotary International Convention in Singapore in a few short weeks, where we will learn about new opportunities to serve and innovate. It will be a chance to celebrate that Rotary magic and the many ways we *Create Hope in the World*.

Message from the Club President

Rtn. Ilah Marie L. Labrador, PHF

We extend a warm welcome and heartfelt gratitude to the Rotarians and guests from the Rotary Club of Cheonan West and the Rotary Club of Alabang Lampara for gracing us with your presence. Your time and effort in personally attending the turnover of water purifiers to the selected recipients mean the world to us. Your dedication to service and commitment to making a difference in the lives of others inspire us all. And your support to the club truly embodies the spirit of Rotary, and we are honored to have you with us.

Last May 3-4, 2024, our club stood tall as we were honored with several awards and recognition during the District Conference (DISCON) 2024 in Davao City. These accolades serve as a testament to the hard work, passion, and collective effort of our members. It is a moment of immense pride for us all, and I cannot express enough how grateful I am for your tireless dedication to our club's accomplishments.

Your donations to the Rotary Foundation have not only impacted our local community but have also contributed to the greater good on a global scale. Through our collective efforts, we have been able to make a meaningful difference in the lives of those in need, embodying the true spirit of Rotary.

As we celebrate our achievements, let us also remember the underlying purpose behind our endeavors—to serve humanity selflessly and make a positive impact in the world. Together, we have shown what can be achieved when individuals come together with a common purpose and unwavering determination.

I am immensely proud to serve as your President, and I am continually inspired by the dedication and passion displayed by each of you. Let us carry this momentum forward as we strive to uphold the ideals of Rotary and continue making a difference in the lives of others.

Once again, thank you for your incredible support, dedication, and generosity. Our success at the DISCON 2024 is a reflection of the strength of our collective efforts, and I am honored to be a part of this remarkable journey with all of you.

The Secretary's Report

Rtn. Janine C. Pring, PHF

- In addition to the highly successful District Conference, which you can view photos of in this bulletin, recent days have seen the advanced installation and testing of water purifiers at recipient schools. President-Nominee Jun Fresco, alongside a designated technician from Manila, has actively facilitated these efforts to ensure the functionality of the equipment ahead of the turnover activity. We extend our gratitude to Past President Ian Fedoc for his forward-thinking approach, alongside Prexy Ilah Labrador, and their close coordination with PP Elbert Cruz of the Rotary Club of Alabang Lampara, which made all these initiatives possible. Finally, a heartfelt thank you to PP Gerry Cruz and his spouse Neneng for their unwavering support throughout this project.
- The teaser video for our upcoming 45th Induction and Handover Ceremonies, which I trust was shown during our last meeting, is truly enchanting. I hope you enjoyed the video presentation, and everything will be prepared for our magical night with singing and dancing. I'd like to motivate our members to join the production number, as we'll once again be showcasing the talents within our group. We will keep you posted on the schedule of practice and other induction-related preparation. This year marks our silver induction, and we intend to celebrate it with a joyous "happily ever after" theme. As a reminder, please refer to the following information:
