THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY, OR DO:

Is it the TRUTH?

Is it FAIR to ALL concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to ALL concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

PART IV. Fellowship

Invocation

Heavenly Father, we thank You for the gift of fellowship, for the friendships we share, and for the common purpose that unites us as one Rotary Club of Marbel family.

As we celebrate the pre-birthday of our President-Elect, Jun Fresco, we lift him up to You, Lord, asking for Your continued guidance and blessings upon him. May You grant him wisdom, strength, and inspiration as he prepares to lead this organization into another year of service. May his leadership be a reflection of Your love, compassion, and commitment to making the world a better place.

We also ask for Your blessings upon all the members of this club, that we may continue to work together in unity, understanding, and kindness. May we remain faithful to our mission and stay true to the ideals of Rotary, touching lives and creating positive change in our community.

We ask that You bless this meeting, that it may be filled with meaningful discussions, fellowship, and collaboration. May our hearts and minds be open to Your guidance as we move forward in our journey of service.

We offer this prayer in Your holy name. Amen.

No matter what, I
always make it home
for Christmas.

Presidential Message

Stephanie A. Urchick Rotary International President 2024-25

To adapt, as laid out in Rotary's Action Plan, we must occasionally step out of our comfort zone and try something new. Here are two examples of clubs that adapted — one with heart and one through critical thinking and strategy.

The Rotary Club of Chandigarh Mid Town, India, led with heart earlier this year. To engage members and grow membership, Club President Nitin Kapur personally called every former member of the club and invited them to a gathering billed as an alumni meetup.

Eight former members attended, and the results were stupendous. The visitors had a chance to connect once more — not only with current members but with the sense of camaraderie and belonging that membership gave them. By the end of the evening, the club welcomed six of the former members back into the Rotary family.

Club President Kapur showed courage when he reached out to the alumni. Not only did he adapt and try something new but he had the strength of character to show the club's alumni how much they still meant to the family of Rotary. That bravery paid off.

People want to feel needed and appreciated. People want to feel that they belong. And they might never feel that way if we don't have the courage to tell them.

Meanwhile, the Rotary Club of Seoul-Hansoo, Korea, has been experimenting with different club models to great effect. Over the past four years, Seoul-Hansoo has created and maintained four satellite clubs — a service club, an interest-based club for musicians, a cause-based club that mentors professionals, and a club for college students.

These satellite clubs are part of a five-year plan the Seoul-Hansoo club implemented to increase membership through innovation.

What's the secret to founding and maintaining so many satellite clubs? Membership between Seoul-Hansoo and its satellite clubs is fluid and synergistic. Many members of the satellite clubs attend the sponsor club's meetings. And many of the sponsor club's members participate in the satellite clubs.

Additionally, the focus of each satellite club is no accident. Each one appeals to different interests of people in the sponsor club and in the community, attracting existing and potential members. This is an excellent strategy to both retain and attract members because it offers flexibility. If someone is interested in joining but they can't make it to the sponsor club's meetings, they have plenty of options to choose from.

These are just two examples of how we can adapt with our hearts and minds. Every club is different, so I encourage you to reach out to members of your club and of the community around you. Ask them about the club experience and what you can do to improve.

Talk to enough people and you might find ways that you can adapt and spark The Magic of Rotary in your club.

Message from the **Club President** **Rtn. Janine Francesca C. Pring, PHF**

Good evening, everyone!

First, I would like to express my deepest gratitude to President-Elect Jun Fresco for presiding over today's meeting. Thank you for your leadership and for taking the initiative to change the venue for this meeting. It's always refreshing to experience something new, and we truly appreciate your effort in organizing this.

I also want to extend my heartfelt thanks to all of you, our dedicated members, who continually make time to attend our meetings and participate in our club activities. Your commitment is what makes this club so special, and I'm looking forward to hearing more about the involvement of members who haven't been as active. I also want to thank Past District Governor Benjamin Garcia and Lady Nene, as well as Rotarian Riyu Sadiang-abay, who joined with me at the Rotary Institute in Taipei. It was another incredible experience that we can all learn from.

A special thank you also to our wonderful Spouses for their preparation for the Pamaskong Handog 2024 event, which will be held at El Gawel. Your hard work and dedication make these events a success and bring joy to so many, and for that, we are truly grateful.

As we approach the end of the year, I would like to remind everyone that we will be celebrating our Christmas Party and December Celebrators' Night on December 12, 2024. It will be a great opportunity for us to come together in fellowship and celebrate the season. Special thanks to PAG Jay Garcia and Spouse Marienel for generously providing the venue.

Please don't forget to bring your kids and a gift worth P1,000 for the Kris Kringle. It promises to be a fun and memorable night as we wrap up this year with joy, laughter, and a sense of accomplishment.

Indeed, we have been very productive this year, and it's all thanks to each and every one of you. Together, we will finish this year with a blast!

Thank you once again for your continued support, and I look forward to celebrating with all of you soon!

I am pleased to report that regular water fountain check-ups and filter changes have been successfully conducted at Rotonda National High School, Koronadal National Comprehensive High School (Junior and Senior), and Koronadal Central Elementary School. All six (6) units were checked as part of our continued efforts to maintain the equipment generously donated through our partnership with the Rotary Club of Cheonan West, as part of their Potable Water for Schools global grant together with the Rotary Club of Alabang Lampara.

During the check-up, some units with defects were identified. However, rest assured that we will find solutions to ensure that all the equipment remains in optimal working condition.

A special thank you to Past President Francis Ian Fedoc for his invaluable assistance during the maintenance check.

Club History

Decades of Service Above Self

The origins of the Rotary Club of Marbel trace back to Attorney Paul Harris's vision for camaraderie among business associates, who initially convened in downtown Chicago. After rotating meeting locations, they formalized into what would become the Rotary Club - an international organization dedicated to service and fellowship, encapsulated in its motto: "Service Above Self."

As Rotary expanded globally, members pooled their talents and resources to serve their communities. Today, there are over 46,000 member clubs worldwide, comprising 1.4 million Rotarians - neighbors, friends, and community leaders - who work collaboratively to foster positive, lasting change globally.

Initially established as the sole Rotary Club in Marbel municipality (now the City of Koronadal), the Rotary Club of Koronadal identified opportunities for expansion. Under the leadership of the late Rey Tolosa, Extension Committee Chair and Past President (PP), the club aimed to establish or sponsor another Rotary club in the growing city. In mid-1979, they began recruiting young, dynamic professionals to join this new initiative.

On June 30, 1980, Rotary International (RI) approved the establishment of the Rotary Club of Marbel. Charter President, the late Gerardo Calaliman, led the club through its formative years, establishing a name synonymous with respect and prestige, emblematic of all Rotary Clubs. Over the years, the club welcomed diverse new members, irrespective of religion, gender, or political affiliation.

The club's impactful initiatives span a wide array of projects aimed at enhancing community welfare, including medical, dental, and surgical missions; literacy programs; feeding schemes; career orientation for graduating high school students; anti-bullying campaigns; "I Love English" initiatives; establishment of Adopt-a-Day Care Centers; support for the school for the deaf at Koronadal Central Elementary School 1; annual December gift-giving and feeding programs; breast cancer awareness campaigns; bloodletting activities; End Polio initiatives; and various environmental projects such as tree planting in mountain areas like Lake Sebu and Koronadal City, and coastal clean-ups along Sarangani Bay, General Santos City, and B'lok Creek, in collaboration with different national and local government and private agencies. The club actively participates in One Rotary, One District activities and area-wide projects, amplifying its impact across broader communities.

The Rotary Club of Marbel has also nurtured youth leadership through its sponsorship of the Rotaract Club of Notre Dame of Marbel University in 1988 and the establishment of the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. In 2018-2019, the club expanded its youth initiatives with the formation of the school-based Rotaract Club of Korbel and the Interact Club of Korbel. During the challenging times of the pandemic in 2021, the club pioneered the establishment of the community-based Rotaract Club of Marbel, comprising young professionals committed to service and community development.

In dedication to expanding influence and promoting collaboration for the advancement of humanity, the Rotary Club of Marbel forged sisterhood agreements with the Rotary Club of Japan and the Rotary Club of Singapore, represented by Past President Dr. Oliver Henedige. Upon Dr. Henedige's return to the Philippines, he introduced Dr. Angamuthu Rajoo, Past President of the Rotary Club of Johor Bahru (Malaysia) in District 3310, which later became a sister club. In the Rotary Year 2018-2019, a sisterhood agreement was also signed with the Rotary Club of Alabang LAMPARA through the then President, Atty. Elbert S. Cruz. In 2024, another sisterhood agreement was inked with the Rotary Club of Cheonan West from South Korea under District 3620. These initiatives signify auspicious beginnings for the relationship between the clubs.

The Rotary Club of Marbel has proudly received multiple grants from The Rotary Foundation (TRF). These include a notable Adopt-a-Harelip Project in collaboration with the Rotary Club of Johor Bahru, as well as initiatives for Vitamin A supplementation and cataract operations. Additionally, the club has benefited from World Community Service projects supported by District 2790 in Chiba, Japan. These projects encompass activities such as school building construction, feeding programs, literacy initiatives, water supply and sanitation improvements, and further cataract and harelip surgeries. In 2024, the Water for Schools Project of the Rotary Club of Cheonan West provided safe and clean drinking water to the selected schools.

In partnership with international and national medical societies, the club has organized impactful medical and dental missions serving indigent communities in South Cotabato. These efforts were recognized as the Most Outstanding Project by District 3860. Furthermore, the club has earned numerous exceptional awards, including the Rotary International Citation, underscoring its unwavering dedication to community improvement and service. These prestigious awards from Rotary International and District 3860 reflect the esteemed reputation it has cultivated within the community - an undeniable testament to achieving its goals and acknowledging its significant contributions as one of the outstanding civic organizations in the community.

Beyond its renowned service projects, the club has made significant contributions to The Rotary Foundation (TRF). A milestone was reached with the creation of its first Paul Harris Fellow (PHF), Rotarian Benjamin M. Garcia, in the Rotary Year 1994-1995. Additionally, the club takes pride in his achievement as the first District 3860 Governor from the club and served for the Rotary Year 2018-2019 under the RI Theme "Be the Inspiration." Through his generous donations to the Foundation, he became the club's first TRF Benefactor and reached Major Donor Level 2. Since then, annual contributions to TRF have become customary, leading to the club's recognition as a Paul Harris Fellow (PHF) Club in 2018 - a tradition of generosity that continues steadfastly today.

The strength of the Rotary Club of Marbel lies in each member's unwavering commitment to the motto 'Service Above Self' and in fostering a sense of unity within the Rotary Club of Marbel family. Whether celebrating successes through collaborative club projects or supporting each other during personal hardships, their bond remains resilient. Recognizing that maintaining membership retention is crucial for a strong foundation, continuous membership development ensures the club's enduring legacy.

The club takes pride in its members who are distinguished leaders not only in their respective professions or businesses but also in their passionate dedication to Rotary service, enriching the community through their diverse contributions.

Over 44 years, the club has dedicated time, effort, and resources to uplift those most in need, making a meaningful impact through countless projects benefiting the less fortunate members of their community.

The Rotary Club of Marbel demonstrates unwavering commitment to service. It remains steadfast in its mission to inspire and transform lives, showcasing the spirit of Rotary. Together, they envision a future where their service continues to make a profound difference in the world.

Our Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Our Core Values

Our values are an increasingly important component in strategic planning because they drive the intent and direction of the organization's leadership.

Thank you to our generous sponsors!

Rotary Club of Marbel's Original Theme Song

(Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
When all you see is poverty and misery
When you are bored and discontented
And your days seem cold and dreary
It's time to get up, move on, and make new friends
The joy of serving others is felt by each Rotarian
Come take your place under the sun
Join us and have so much fun

If you want to be happy Join Rotary
If you want to be loved Embrace Rotary
If you want peace and harmony
Serve with Rotary
The Rotary Club of Marbel
Our Home, Our Passion, Our Family
All for the service of humanity
Rotary Club of Marbel
