## The Four-Way Test

*of the things we think, say or do.*

- 1 Is it the truth?
- 2 Is it fair to all concerned?
- 3 Will it build goodwill and better friendships?
- 4 Will it be beneficial to all concerned?

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### ROTARIAN'S PLEDGE:

I am a Rotarian  
I will always uphold the **TRUTH**.

I am a Rotarian  
I will always strive to be **FAIR** in all my dealings with my Fellowmen.

I am a Rotarian  
I will always endeavor to build **GOODWILL** and **UNDERSTANDING** in my community, among my countrymen and people of all nations.

## ROTARY HYMN

I want to be a Rotarian for the world  
Make the Rotary flag as the flag of peace unfurled  
I shall serve, my community, help achieve universal unity.

Through Rotary, I shall dedicate my all  
World understanding shall be my cherished goal

With the 4-way test, ill pursue my quest  
And if I, in a way help obtain  
Peace in the world, I shall not have lived in vain

I observe service above self  
Lend a hand to all who need my help  
I'll get my spouse to involve in Rotary  
And in Rotary ways, I will train my family

With the four way test, we'll pursue our quest  
And if we, in a way help obtain  
Peace in the world, we shall not have lived in vain.

Build a bridge for tomorrow's youth  
Strengthened by nothing but the truth

Let's join our hands, there's no reason we'll divide  
We shall all understand why the good Lord is our guide

With the four way test, ill pursue my quest  
And if I, in a way help obtain  
Peace in the world I shall not have lived in vain

Peace be achieved, we shall have not lived ....  
in vain.

# RI President's Message

President 2024-25

## December 2024

To adapt, as laid out in Rotary's Action Plan, we must occasionally step out of our comfort zone and try something new. Here are two examples of clubs that adapted — one with heart and one through critical thinking and strategy.

The Rotary Club of Chandigarh Mid Town, India, led with heart earlier this year. To engage members and grow membership, Club President Nitin Kapur personally called every former member of the club and invited them to a gathering billed as an alumni meetup.

Eight former members attended, and the results were stupendous. The visitors had a chance to connect once more — not only with current members but with the sense of camaraderie and belonging that membership gave them. By the end of the evening, the club welcomed six of the former members back into the Rotary family.

Club President Kapur showed courage when he reached out to the alumni. Not only did he adapt and try something new but he had the strength of character to show the club's alumni how much they still meant to the family of Rotary. That bravery paid off.

People want to feel needed and appreciated. People want to feel that they belong. And they might never feel that way if we don't have the courage to tell them.

Meanwhile, the Rotary Club of Seoul-Hansoo, Korea, has been experimenting with different club models to great effect. Over the past four years, Seoul-Hansoo has created and maintained four satellite clubs — a service club, an interest-based club for musicians, a cause-based club that mentors professionals, and a club for college students.

## December 2024

These satellite clubs are part of a five-year plan the Seoul-Hansoo club implemented to increase membership through innovation.

What's the secret to founding and maintaining so many satellite clubs?

Membership between Seoul-Hansoo and its satellite clubs is fluid and synergistic. Many members of the satellite clubs attend the sponsor club's meetings. And many of the sponsor club's members participate in the satellite clubs.

Additionally, the focus of each satellite club is no accident. Each one appeals to different interests of people in the sponsor club and in the community, attracting existing and potential members. This is an excellent strategy to both retain and attract members because it offers flexibility. If someone is interested in joining but they can't make it to the sponsor club's meetings, they have plenty of options to choose from.

These are just two examples of how we can adapt with our hearts and minds. Every club is different, so I encourage you to reach out to members of your club and of the community around you. Ask them about the club experience and what you can do to improve.

Talk to enough people and you might find ways that you can adapt and spark The Magic of Rotary in your club.

## President's Report

**Rotary Club of Metro Cebu  
Period: November 20 to  
December 4, 2024**

Fellow Rotarians,

The period under review has been marked by the triumphant execution of our major fundraising event, the Generation X - Disco Inferno, held on November 28, 2024. This dinner concert not only revived the electrifying disco spirit of the 1970s but also underscored the collective power of our club in making a difference.

With immense gratitude, I am pleased to share that the event was a resounding success. All 28 tables were sold out, filling the ballroom to its maximum capacity. The band and singers delivered performances that enthralled our audience, leaving an indelible mark on everyone present.

Financially, the event was equally rewarding. After covering all expenses, we are delighted to report that nearly P200,000 in excess funds was generated, to be equally shared between the Rotary Club of Metro Cebu and the RCMC Foundation. These funds will enable us to further our community service initiatives and strengthen our foundation's impact.

Allow me to extend my heartfelt appreciation to the core group who worked tirelessly to ensure the event's success, to our generous sponsors for their unwavering support, and most especially to Raul Laurente, whose single-handed dedication and organizational skills turned this ambitious idea into reality.

Raul, your efforts have inspired us all and reaffirmed the strength of Rotary's shared vision.

As we move forward, let us continue to build on this momentum and embrace the opportunities that lie ahead with the same passion and camaraderie.

# Secretary's Time

Dear Fellow Rotarians,

Warm Greetings!

Thank you for your attendance in today's meeting!

The following are the items discussed during the membership meeting last November 20, 2024:

1. We are honored to have Dir. Rose Mae M. Quiñanola, Provincial Director of DTI Cebu Provincial Office, as our esteemed guest speaker. Dir. Quiñanola highlighted the different programs and services of the Department of Trade and Industry. RCMC members raised questions on the different mentorship programs and the fabrication laboratory (FABLAB) services of DTI.
2. The club members who are part of the core team for the Generation X: Disco Inferno fund-raising event are busy with the preparations for the event, spearheaded by Mr. Raul Laurente, who was a member of RCMC. All the members are encouraged to support this event by inviting friends and family to join, as well as looking for sponsors and donors.
3. November 28, 2024 is the D-day for the Generation X: Disco Inferno dinner-concert which will be held at the Grand Ballroom of Casino Español. The events team are requested to be at the venue starting at 10AM. Ballroom doors will open at 5:30PM and dinner will start at 6:30PM.

It was a very interactive meeting, and all are excited to participate in the coming fund-raising event.

Here's to the success of the event and the upcoming projects of RCMC!

Thank you!

## RCMC's GENERATION X: DISCO INFERNO

### Dinner-concert Fund-raising Event

November 28, 2024 was indeed a date to remember!

The fund-raising event held at the Grand Ballroom of the Casino Español de Cebu was a success! All tables were filled to capacity. Guests danced to the grooving disco music of the 70's and early 80's.

Amazing performances were provided by renowned artists: Eva Santos, Monique, Jessie Glova and Archie Marcial, backed up by the Georg Duo and the Georg Rhythm Band, and with a special performance by our very own, PP Dr. Wyben Briones.
