Rotary

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN'S PLEDGE:

I am a Rotarian
I will always uphold the **TRUTH**.

I am a Rotarian
I will always strive to be **FAIR** in all my dealings with my Fellowmen.

I am a Rotarian
I will always endeavor to build **GOODWILL** and **UNDERSTANDING** in my community, among my countrymen and people of all nations.

I am a Rotarian
I will always seek to promote the greatest good for the greatest number of people in the spirit of **ROTARY SERVICE**.

I am a Rotarian
I will always uphold the Rotary International Motto, **SERVICE ABOVE SELF**.

ROTARY HYMN

I want to be a Rotarian for the world
Make the Rotary flag as the flag of peace unfurled
I shall serve, my community, help achieve universal unity.

Through Rotary, I shall dedicate my all
World understanding shall be my cherished goal

With the 4-way test, ill pursue my quest
And if I, in a way help obtain
Peace in the world, I shall not have lived in vain

I observe service above self
Lend a hand to all who need my help
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family

With the four way test, we'll pursue our quest
And if we, in a way help obtain
Peace in the world, we shall not have lived in vain.

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth

Let's join our hands, there's no reason we'll divide
We shall all understand why the good Lord is our guide

With the four way test, ill pursue my quest
And if I, in a way help obtain
Peace in the world I shall not have lived in vain

Peace be achieved, we shall have not lived
in vain.

RI President's Message

Stephanie A. Urchick

President 2024-25

January 2025

I always walk into meetings at my home club of McMurray, Pennsylvania, with a smile on my face.

A few years ago, someone arrived late. Instead of scolding the person, we cheered. Since then, we've made it a tradition to applaud all members when they arrive for meetings. It's tough not to smile with a greeting like that.

There's nothing more powerful for engaging and retaining members than a club that's vibrant, welcoming, and — yes — fun.

Think back to what drew you to Rotary. Chances are, it wasn't just the service projects or professional networking. It was the people — the friendships, the shared laughter, and the joy of working toward a common purpose. That's what keeps us coming back.

If you're looking for that sense of joy in your meetings, don't be afraid to ask yourself and your fellow members some tough questions. If you were a prospective member, would you join your current club? It's a powerful question but don't stop there.

Do members of your club feel that they belong? Are your meetings fun? If not, what can you do about it together?

At your next meeting or event, try something new to bring out a few extra smiles. It's the simple things that create lasting bonds and make clubs simply irresistible.

RI President's Message (continued)

Here's one example of a club moving in the right direction. The Rotary Club of Fukushima, Japan, has been combining environmental responsibility with community fun since 2021. In Japan, people have made picking up trash into a sport known as SpoGomi, and every year the club hosts a game. This year, more than 400 participants cheered each other on while they came together to improve their community.

This event is an excellent example of how Rotary clubs can have fun, make a difference, and raise awareness for broader global challenges all at the same time. And the inclusive, family-friendly format allows people of all ages to participate.

When we enjoy what we do, that energy becomes contagious. It's what attracts new members and keeps our clubs strong and engaged. It helps people feel that they belong.

Retention and culture go hand in hand. The healthier our club culture, the more likely members are to stay. Rotary magazine is an outstanding resource for inspiration on how to enhance our club culture and deepen member engagement. I encourage you to explore the stories and strategies in these pages, drawing from other clubs' successes to find ideas that work for you.

Together, we can create a more engaged, enjoyable, and inclusive Rotary that every member can feel proud to be part of. Let's continue with renewed commitment and enthusiasm, living The Magic of Rotary.

From our successful medical missions to fellowship gatherings and fundraisers, your commitment has been the driving force behind our accomplishments. Thank you for your generosity, time, and spirit of service.

- **President Nominee**

Congratulations President Nominee Engr. Elcasmer Acedo for having been elected President to serve during Rotary Year 2026-2027. We wish you all the best as you lead the club in our journey of service.

- **2024 Christmas Party**

- **Christmas Party with the Kids at Balay Samaritano**

In keeping with the tradition, we prepared lunch for 100 children under the supervision of Balay Samaritano on December 20, 2024. The kids had fun with the games and prizes provided by our generous members bringing the Christmas spirit to everyone who participated. Thank you everyone who donated cash, food, prizes and their time to this Christmas party.

- **Canlaon Medical and Humanitarian Mission**

I would like to extend my sincerest congratulations and appreciation to the members who participated in the Canlaon medical and humanitarian mission, spearheaded by AMRO, from December 27 to 29, 2024. Your efforts brought much-needed medical care and hope to the community in Canlaon. To those who donated their resources, time, and expertise, you exemplify the Rotary motto, "Service Above Self."

- **Honoring Past President Gema Luisa Pido**

In the spirit of Rotary's commitment to service even unto death, we also recognize and deeply appreciate the selfless dedication and financial contributions of our members who attended to the wake and funeral of our beloved Past President Gema Luisa Pido. From January 1 to January 5, 2025, at St. Peter Chapel, your compassion and support were a source of comfort to her family and a testament to the bonds we share in Rotary. Thank you for being there for one another during this solemn time.

- **Upcoming Fundraising Events**

As we move forward, I urge everyone to rally behind the last fundraising efforts of this term. The tasks ahead are indeed overwhelming, but together, we can make them manageable and successful.
