The Four-Way Test

of the things we think, say or do.

- 1 Is it the truth?
- 2 Is it fair to all concerned?
- 3 Will it build goodwill and better friendships?
- 4 Will it be beneficial to all concerned?

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARIAN'S PLEDGE:

I am a Rotarian
I will always uphold the **TRUTH**.

I am a Rotarian
I will always strive to be **FAIR** in all my dealings with my Fellowmen.

I am a Rotarian
I will always endeavor to build **GOODWILL** and **UNDERSTANDING** in my community, among my countrymen and people of all nations.

I am a Rotarian
I will always seek to promote the greatest good for the greatest number of people in the spirit of **ROTARY SERVICE**.

I am a Rotarian
I will always uphold the Rotary International Motto, **SERVICE ABOVE SELF**.

ROTARY HYMN

I want to be a Rotarian for the world
Make the Rotary flag as the flag of peace unfurled
I shall serve, my community, help achieve universal unity.

Through Rotary, I shall dedicate my all
World understanding shall be my cherished goal

With the 4-way test, ill pursue my quest
And if I, in a way help obtain
Peace in the world, I shall not have lived in vain

I observe service above self
Lend a hand to all who need my help
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family

With the four way test, we'll pursue our quest
And if we, in a way help obtain
Peace in the world, we shall not have lived in vain.

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth

Let's join our hands, there's no reason we'll divide
We shall all understand why the good Lord is our guide

With the four way test, ill pursue my quest
And if I, in a way help obtain
Peace in the world I shall not have lived in vain

Peace be achieved, we shall have not lived
in vain.

PRESIDENT'S REPORT Rotary Club of Metro Cebu

February 19, 2025

Dear Fellow Rotarians,

Warm Rotary greetings!

I am pleased to present the President's Report for the period of February 5 to February 19, 2025, highlighting our club's meaningful engagements and service activities during this period.

➤ Regular Meeting – Dengue Prevention Program

On February 5, 2025, our regular meeting focused on the discussion of a vital community health initiative—the dengue prevention program. Our club actively deliberated on strategies for implementing this program in Cebu City, aiming to curb the spread of dengue through enhanced public awareness, sanitation efforts, and preventive measures. This program will soon be formally presented to Mayor Raymond Alvin N. Garcia through the Cebu City Health Department Office for possible city-wide implementation.

➤ 120th Anniversary of Rotary International

On February 8, 2025, we joined the global Rotary family in celebrating the 120th Anniversary of Rotary International at Casino Español de Cebu. It was a momentous occasion, attended by Rotarians and friends, where we reaffirmed our commitment to Service Above Self. I was honored to attend this event alongside our President-Elect, Atty. Evelyn Nunez, and fellow member Emmanuel Rizon, representing the Rotary Club of Metro Cebu in celebrating over a century of humanitarian service

➤ Medical Mission and Reading Glasses Distribution – Alcoy, Cebu

On February 15, 2025, our club successfully conducted a medical mission and reading glasses distribution in Alcoy, Cebu. Through this initiative, we provided free medical consultations, medicines, and vitamins to 140 patients. Additionally, 130 individuals received reading glasses, significantly improving their quality of life. This impactful activity was made possible through the leadership of our dedicated Rotarian, Dr. Josefina Zabate, who spearheaded the medical mission with great commitment. Our heartfelt gratitude goes to all Rotarians, Rotaractors, and volunteers who contributed their time and effort to ensure the success of this outreach.

Moving Forward

As we prepare to host this month's Area 1 Coordination Meeting (ACOM) on February 22, 2025 at Casino Español de Cebu from 11:00 a.m. to 2:00 pm, we encourage everyone to volunteer and be part of the Registration, Welcome Team, Technical Team and the Singing Team to serenade the Area 1 Presidents and Secretaries with Allen Berame at the keyboard. We have invited Past President Walter Cang to speak on the Topic: What Now?

As we continue our journey of service, I extend my sincere appreciation to all our members for their dedication and active participation. Our collective efforts in health, education, and community engagement reflect the true spirit of Rotary. Let us remain steadfast in our mission to make a difference in the lives of those we serve.

Looking forward, let us sustain our momentum and prepare for more meaningful projects that will further strengthen our impact in the community.

Rotary Day Celebration (12 February 2025)

Together with clubs in Area 1, RCMC joined in celebrating Rotary International's 120th anniversary last February 12, 2025 at the Casino Español de Cebu.

The whole day celebration started with a badminton tournament, followed by a short program showcasing the service flagship projects of Rotary Clubs in Area 1A – 1F, 2025 and an inspirational talk by guest speaker Mr. Scott Friedman.

Health On Wheels 2025 @ Alcoy, Cebu (15 February 2025)

The Rotary Club of Metro Cebu, together with the Rotaract Clubs of Metro Cebu Community-based and CIT-University, conducted a medical mission last February 15, 2025 at the Santa Rosa de Lima Parish in Alcoy, Cebu.

The medical mission, which is aptly called “Health On Wheels”, is a continuing service project delivered to different areas in Cebu and neighboring provinces.

As one of the flagship projects of RCMC, Health On Wheels aims to bring wellness and medical services to communities in need of medical care.

In the Health On Wheels project in Alcoy, RCMC was able to deliver 142 medical consultations, 83 random blood sugar testing and given out around 120 pairs of reading glasses, to parishioners and residents of Poblacion, Alcoy, Cebu.

RCMC is grateful for the generosity of the Rotary Club of Cebu West for the additional medicines, Hermanos Y Hermanas de Zamboanga for the reading glasses, and the Sta. Rosa de Lima Parish community for organizing the venue, registration and crowd control, and for providing food and refreshments to the RCMC members and volunteers.
