Tonight's Prayer

Let us Pray. Lord of the Universe:

One of your wise ministers said recently, You can judge a person by his check book stubs . As Rotarians, we are generally blessed with lives of relative luxury, and opportunities unknown to many. Help us to review our check books, and, indeed, the registers of our lives with honesty as we consider our priorities, and our opportunity to help others. Open our hearts, and our accounts, to those in need, while still providing us with appropriate fruits of our own labors. Help us to share not only our tangible wealth, but also our intangible riches of knowledge, leadership, and creativity to make our city, our nation, and our world, a better place filled with the peace and love that you can bring through us.

Amen.

RI President's Message

STEPHANIE A. URCHICK

President
Rotary International
RY 2024-2025

If we are to truly change the world with The Magic of Rotary, it's up to all of us to foster a sense of belonging in our clubs. But every club should take its own path to get there, and the Action Plan can

help you find your way. What does that look like?

Take for instance the Rotary Club of Beveren-Waas in Belgium. It was chartered in 1974 but has evolved with the times, developing both a strategic plan and a membership plan. To find new members, the club analyzes the city's professions to help focus its search, and all new members are quickly assigned tasks and roles.

The club also mixes up meeting times, alternating between evening and afternoon sessions, making them accessible for all members.

Sometimes, circumstances force clubs to make changes. But as people of action, we know that behind every obstacle is an opportunity.

The Rotary Club of Holyoke in Massachusetts was forced from its meeting place because of rising costs after the COVID-19 pandemic, but members took this setback and turned it into a strength. The club started meeting in a library community room that was available for no charge and catering lunch from a nearby deli. Lunch costs \$10 per person but it's optional, so no one has to spend money to attend a meeting. What a great way to work toward being "fair to all concerned."

Since making this change, the Holyoke club has gained 13 members. I suspect part of its membership growth is due to the club's sense of inclusivity — the first step toward belonging.

If you ask members what they expect from the club experience, you might find that your club doesn't meet expectations. Think of this as an opportunity to reshape your club in exciting ways, as alternative club models are making a positive impact.

R.I President's Message

For example, a Rotary Fellowship called Beers Rotarians Enjoy World-wide, or BREW, has worked closely with the Water, Sanitation, and Hygiene Rotary Action Group for the past eight years to assist with clean water projects. In that time, BREW has funneled 25 percent of its dues to those initiatives.

BREW is one of many examples of members pursuing belonging to improve the world.

I can't stress enough the importance of belonging. Clubs become simply irresistible when all members feel that they are exactly where they need to be. To me, belonging is the spark that ignites The Magic of Rotary .

As you receive feedback from club members and the community you serve, I urge you to pursue that spark. The Action Plan can help you find the path to success, and if you light your way with the spirit of belonging, that path will lead to a bright future for your club, your community, and the world.

President's Report

SAMUEL L. SIA

President
Rotary Club of Metro Dadiangas
RY 2024-2025

Good evening fellow Metronians, Rotaractors, & Guests. Thank you for attending our 8th regular club meeting.

I was really in awe, after witnessing the distribution of school supplies to the pupils of Palian Elementary School in Tupi, South Cotabato last Friday, August 16, 2024. The smile and joy of the pupils were immeasurable.

Our special thanks to LHE Construction under PP Reynaldo Espiritu for spearheading this Balik Eskwela program to the said school for more than a decade already. The school's principal and its teaching force were very grateful of this noble act. Thanks also to fellow Rotarians who spared their precious time just to participate on this activity: VP John Arcamo, Sec. Pebbie Matonndo, Dir. Kenneth Anzano, Dir. Raul Antonio Valencia, Dir. Franklin Quiapo, PP Andres Lorenzo Jr., PP Diony Callo, PP Rene Espiritu (Host), Rolando Pañares, Alberto Lapiz, Jason Franisco, Justine Lim and to our Ladies too, headed Pres. Mila Sia, Dir. Gemma Quiapo and Lady Elvira Espiritu.

We are looking forward for another club activity this Thursday August 22, 2024 (the previous date was August 23, 2024 declared a holiday) at Barangay Tukay-el c/o Rtn. Lando Pañares. We budgeted P50,000.00 for the school supplies, of which P20,000.00 donated by our Fundraising Group. Rtn. Pañares is also enjoining us to voluntarily share our used clothing for the less fortunate people in the area.

For the Environmental Month next month, we have our area wide activity for Bamboo Tree Planting on September 21, 2024 along the Klinan 5 river bank. Our club is the Host of this project with Sec. Pebbie Matonndo as Chair.

Thank you! #TheMagicHeatsOn!
