Tonight's Prayer

Dear Lord,

as we gather in this Rotary meeting, we are reminded of the strength that lies in unity.

We come from different backgrounds, professions, and beliefs, but we stand together in our commitment to serve.

Bless us with the wisdom to work harmoniously and the empathy to understand one another.

In unity, we find the power to make a difference.

Amen.

RI President's Message

STEPHANIE A. URCHICK

President
Rotary International
RY 2024-2025

I always walk into meetings at my home club of McMurray, Pennsylvania, with a smile on my face. A few years ago, someone arrived late. Instead of scolding the person, we cheered. Since then, we've made it a tradition to applaud all members when they arrive for meetings. It's tough not to smile with a greeting like that.

There's nothing more powerful for engaging and retaining members than a club that's vibrant, welcoming, and — yes — fun.

Think back to what drew you to Rotary. Chances are, it wasn't just the service projects or professional networking. It was the people — the friendships, the shared laughter, and the joy of working toward a common purpose. That's what keeps us coming back.

If you're looking for that sense of joy in your meetings, don't be afraid to ask yourself and your fellow members some tough questions. If you were a prospective member, would you join your current club? It's a powerful question but don't stop there.

Do members of your club feel that they belong? Are your meetings fun? If not, what can you do about it together?

At your next meeting or event, try something new to bring out a few extra smiles. It's the simple things that create lasting bonds and make clubs simply irresistible.

Here's one example of a club moving in the right direction. The Rotary Club of Fukushima, Japan, has been combining environmental responsibility with community fun since 2021. In Japan, people have made picking up trash into a sport known as SpoGomi, and every year the club hosts a game.

RY 2024-2025

Good evening Fellow Metronians, Ladies, Rotaractors, and Guests, welcome to our 27th Regular Meeting tonight, JANUARY 29, 2025.

The Dinner for a Cause last Saturday, January 25, 2025 @ Green Leaf Hotel for the Autism Awareness was indeed a successful one. Area 3FGH presidents are very thankful for all Rotarians who shared their resources for the said project. Rotary Club of General Santos will make the announcement for the turnover of the proceeds

Our Officers, Board and PPs are pleased to announce that our Grant Application for the Construction of 6,000 Liters Capacity Overhead Water Tank in the amount of \$9000 or P522,000.00 was given approval from the District Rotary Foundation Committee of District 3860 headed by Sir Jose Fortunato "Chi" Uy, PDG Rodel Riezl Reyes, Sir Stephen Chian and the ever supportive Gov. Carolyn L. Andrade. What a great milestone for our club!

Also, and to add spices for our meeting tonight, we will have a guest speaker in the person of PP Dr. MANUEL P. MONDERO who will talk about PROSTATE IN MEN

Other announcements, Please check the dates of schedule trainings, convention, and other District Activity on the next pages.

That's all for tonight's meeting. Together we can enhance the Magic of Rotary Thank you! #TheMagicHeatsOn! #SweetCaroline #District3860

R.I President's Message

This year, more than 400 participants cheered each other on while they came together to improve their community.

This event is an excellent example of how Rotary clubs can have fun, make a difference, and raise awareness for broader global challenges all at the same time. And the inclusive, family-friendly format allows people of all ages to participate.

When we enjoy what we do, that energy becomes contagious. It's what attracts new members and keeps our clubs strong and engaged. It helps people feel that they belong.

Retention and culture go hand in hand. The healthier our club culture, the more likely members are to stay. Rotary magazine is an outstanding resource for inspiration on how to enhance our club culture and deepen member engagement. I encourage you to explore the stories and strategies in these pages, drawing from other clubs' successes to find ideas that work for you.

Together, we can create a more engaged, enjoyable, and inclusive Rotary that every member can feel proud to be part of. Let's continue with renewed commitment and enthusiasm, living The Magic of Rotary.
