Rotary International Features

The district's Service Above Self Team, a rapid-response unit formed in 2010 to provide aid in times of disaster or crisis, quickly set plans into motion. The team's Food Truck of Love was ready to deploy, its mobile industrial kitchen capable of preparing up to 200 meals at a time.

Financial help also came swiftly. Rotary District 3710, with the support of 13 other Rotary districts across Korea, mobilized approximately US\$30,000–40,000 almost immediately. Funding came from a combination of district grants and contributions from individual Rotarians.

Eight hours after the crash, Rotary vehicles reached the heavily restricted crash site. Rotary was the first volunteer organization to arrive at the scene. While access was denied to many others, including bereaved families and journalists, the Rotary members' clear purpose and careful preparation ultimately won them entry.

"I assured them that our food truck was fully equipped to provide hot meals and beverages immediately, which would help sustain those doing the hard and heartbreaking work of recovery," says Baek.

The Food Truck of Love, a supply truck carrying water and food, and a six-passenger SUV packed with 12 volunteers entered, and the Rotarians got to work.

Rotary District Governor Hyun Ok Baek, third from left, and other Rotary members in Korea provide food and other necessities to emergency responders working at the crash site of Jeju Air flight 7C2216 near South Korea's Muan International Airport.

Emergency responders work at the crash site of Jeju Air flight 7C2216 near South Korea's Muan International Airport.

Tonight's Prayer

O God our Father,
who sent your Son to be our Savior:
renew in us day by day the power of your
Holy Spirit;

that with knowledge and passion,
with courage and love,
with gratitude and hope,
we may strive powerfully in your service:

may he keep our vision clear,
our aim high, our purpose firm and
our sympathy wide;

that we may live as faithful soldiers and
servants of our Lord Jesus Christ.

Amen

RI President's Message

STEPHANIE A. URCHICK

President
Rotary International
RY 2024-2025

This month, as we come together for the International Assembly and the Presidential Peace Conference, we celebrate The Magic of Rotary — a unique blend of global connection, vision, and action that empowers us to create lasting change.

One of the most inspiring examples is our Rotary Peace Fellowship program, a cornerstone of Rotary's mission to build a more peaceful and just world.

For more than 23 years, Rotary Peace Fellowships have been transforming communities. Our Rotary Peace Centers, hosted at leading universities around the globe, have educated over 1,800 fellows who now work in more than 140 countries.

These centers cultivate expertise in fields like conflict resolution, sustainable development, and peacebuilding, preparing fellows to tackle some of the world's most pressing challenges. This program exemplifies how Rotary turns vision into action, creating a ripple effect of hope and change.

This month during the Presidential Peace Conference, we celebrate a significant milestone with the opening of our newest peace center in Istanbul. This center will focus on training leaders to address peacebuilding challenges in the Middle East and North Africa, further extending Rotary's impact.

Peace fellows are dedicated champions of transformation, addressing critical issues such as refugee resettlement, youth and women's empowerment, and reconciliation in conflict zones. Many founded vital organizations or hold leadership roles in governments, nongovernmental organizations, and international institutions like the United Nations and World Bank.

Rotary International Features

Food Truck of Love' serves 2,000 meals per day to first responders

She was spending the morning with her grandchild when Hyun Ok Baek saw the news on TV: There had been a tragic plane crash at South Korea's Muan International Airport.

Jeju Air flight 7C2216, arriving from Bangkok, crashed into a runway barrier during landing. The 29 December accident claimed the lives of 179 passengers, including a Rotary member, sending shockwaves throughout the country.

"I couldn't eat lunch that day," says Baek, governor of Rotary District 3710, which includes the Muan County in Korea. Her immediate question: How could Rotary help? "My mind kept turning to what role we could play in the aftermath of this tragedy," she says.

Emergency responders lacked basic necessities like water, hot food, and a warm place to rest, she learned from Geun-Heong Yang, a Rotary member and volunteer firefighter. She also contacted District-3710 Secretary Heng Shim, whose experience in disaster response helped her make a quick and informed decision.

They wasted no time.

Within hours, messages were sent to the district's volunteer group chat, summoning members who could help. Supplies like bottled water, coffee, ramen, and kimchi were quickly gathered, while team leaders coordinated shifts and transportation.

"In any disaster, the first 24 to 48 hours are vital," says Shim. "Before government or municipal resources can fully mobilize, there's a golden window where immediate assistance can make the most impact."

Metro Activity

R.I President's Message

One inspiring story is that of Ntang Julius Meleng, a 2024 Rotary Peace Fellow at Makerere University in Uganda. Through his Social Change Initiative, Julius has worked to empower young people in Cameroon to take active roles in peacebuilding and leadership. His project provided training in conflict prevention, civic engagement, and leadership to youths and community officials in areas affected by conflict, equipping people to drive sustainable peace efforts.

Julius harnessed Rotary's global network to overcome obstacles, including limited funding and security risks, and make a meaningful impact.

The Rotary Peace Fellowship gave Julius the tools and support to turn his vision into reality. His work embodies The Magic of Rotary — the transformative power of connecting people, sharing resources, and uniting for a common purpose.

As we reflect on the achievements of our peace fellows and celebrate Rotary's enduring commitment to peace, let us also recognize the role that everyone in our network of 1.2 million members plays in creating magic through service.

Together, we can amplify our impact, inspire new generations of leaders, and build a brighter, more peaceful future.

President's Report

SAMUEL L. SIA

President
Rotary Club of Metro Dadiangas
RY 2024-2025

Good evening Fellow Metronians, Ladies, Rotaractors, and Guests, welcome to our 28th Regular Meeting tonight, FEBRUARY 5, 2025.

Indeed it was a memorable club meeting and Ladies Night last week. Hats off to our Ladies present and to our speaker on the topic about Prostate, PP Manuel P. Mondero. Maraming salamat sa panahong ibinigay ninyo.

Also, last February 01, 2025 we commenced the Construction of District Grant Project – 6,000 Liters Overhead Water Tank at General Santos City High School - Lanton High School Annex. We are open to accept voluntary donations for this project. Please see the list of Metronians & its amount donated for the completion of the project.

Also, for the Rotary Week 2025 Celebration, we will have Areawide Sportsfest this coming February 23, 2025 to be held at Dole Kalsangi. The competitions at stake are: *Golf (tee off at 7am); *Tug – of - War; *Basketball; *Pinoy Henyo; *Big Volleyball; *Dance/Cheering; *LarongPinoy. Details will be posted after our areacom meeting this Saturday, February 8, 2025.

Other announcements, Please check the dates of schedule trainings, convention, and other District Activity on the next pages.

That's all for tonight's meeting. Together we can enhance the Magic of Rotary Thank you! #TheMagicHeatsOn! #SweetCaroline #District3860
