PEACE & CONFLICT AWARENES SYMPOSIUM | February 28, 2025 at Romana Acharon Elementary School

Tonight's Prayer

O God, As we gather in the fellowship of Rotary,
we are thankful for Your blessings and for the guiding
principals that bring us together today.

In days of uncertainty and strife, we think of
Rotary's 4-Way Test.

We cannot help but think of how different things might
be if the goals of Truth, Fairness, Goodwill, Friendship
and Benefit for All were adopted by our city,
our nation and indeed our world!

As we strive to live out these ideals in our businesses and
in our daily living, may we each do our part to bring life,
liberty, happiness and peace to our small corner,
even as we join our efforts with fellow Rotarians around
the world! Bless our meeting, and our service,
we pray, Amen

RI President's Message

STEPHANIE A. URCHICK

President
Rotary International
RY 2024-2025

March is here, and for Rotary International, that means celebrating Water, Sanitation, and Hygiene Month — a time to shine a spotlight on one of the most transformative areas of our work.

This month is an opportunity to reflect on The Magic of Rotary and the profound impact we create when we come together with determination and purpose.

Years ago, I experienced this magic firsthand in the Dominican Republic. When a group of members helped people install water filters, three children watched with amazement as dirty water entered one end of a filter and clean water emerged from the other. When we paused the demonstration, one child tugged at my sleeve and pleaded, "Show me the magic again."

To them, it felt magical. It was also the result of countless hours of effort — planning, transporting, and installing the filters — alongside local partners who were dedicated to making clean water accessible. In that moment, I realized that what seemed like a small act could change residents' lives. That is The Magic of Rotary.

This story is a testament to the incredible potential of our global family to create change. Water projects exemplify our reach, our partnerships, and our unwavering commitment to improving lives. Consider Rotary's work with USAID. That partnership has enabled us to work with communities and governments to improve access to sustainable water and sanitation services for thousands of people in the Dominican Republic, Ghana, the Philippines, and Uganda. Partnerships remind us that Rotary's impact is amplified when we work together. Through our strategic alliance with the United Nations Environment Programme, we're advancing the Community

R.I President's Message

Action for Fresh Water initiative. This program equips Rotary members with the tools and resources to protect, restore, and sustain freshwater ecosystems.

When we make use of Rotary grants and advocate for clean water in our communities, we create a ripple effect that extends far beyond individual projects.

As we embrace the spirit of the month, I encourage every Rotary member to seek out new partnerships. Collaboration multiplies our efforts and helps us reach more people in need.

Whether it's joining forces with local organizations, forming alliances with international agencies, or mobilizing your community, every step we take together brings us closer to a world where everyone has access to clean water and safe sanitation.

The Magic of Rotary shines brightest when we work in harmony with others to create lasting good. Together, we can turn dreams into realities that transform lives and communities. The result may feel like magic at times, but we know it's from the power of our collective commitment and compassion. Let's harness this magic to make a difference this month and beyond.

President's Report

SAMUEL L. SIA

President
Rotary Club of Metro Dadiangas
RY 2024-2025

Good evening Fellow Metronians, Rotaractors, and Guests, welcome to our 32nd Regular Club Meeting tonight, MARCH 05, 2025.

Ending the month of February, 2025 is quite remarkable as we were able to hold big occasions for Rotary:

1. Celebration of Rotary's 120th Foundation Anniversary via Sportsfestival held at Dole Kalsangi last February 23, 2025
2. Peace Building and Conflict Prevention – Symposium on Cyber Crime held with Metronians and our Ladies at Lex Forum last February 26, 2025 and Symposium on the Prevention of Children in Conflict with the Law with Grade VI students of the Romana Acharon Elementary School in Cahilsot Village, Barangay Calumpang.

A noteworthy indeed accomplishments for our club.

For our 6,000 Liters Overhead Water Tank project at General Santos City High School—Lanton High School Annex, we already installed the SS Tank as per schedule. Piping works is now underway. With the current progress, we might be able to finish the project earlier than March 15, 2025. We will schedule its Blessing and Turnover. For those willing to share their treasure for this noble project, kindly coordinate with our Secretariat (see list of donors).

President's Message

On the other hand, DG Caroline “Caycay” Andrade is now knocking on our for donors to the Rotary Foundation.

Other announcements, Please check the dates of schedule trainings, convention, and other District Activity on the next pages.

That's all for tonight's meeting.

Together we can enhance the Magic of Rotary Thank you!
#TheMagicHeatIsOn! #SweetCaroline #District3860
