

Building Bridges to the Future: Shaping Tomorrow's Leaders

In a world full of possibilities, the Rotary Club of Midtown Butuan, Rotaract Clubs Community Based and School based led by President Jennifer Marie Alaba, joined hands with Libertad National High School, the Philippine National Police, and SK Chairman of Brgy. Libertad Carlos Marfori Alegado for a special event: the Peace and Conflict Seminar and Maternal Care Activity. This event was all about creating a brighter future and helping young leaders to grow and succeed!

Imagine a world where everyone gets along, where conflicts are resolved peacefully, and where mothers and children receive the care and support they need. That's exactly what we talked about during the event! The Guest Speaker from PNP discussed important topics like stopping gangsterism to promote peace and resolving conflicts peacefully. We also learned that taking care of mothers especially in their early pregnancy is crucial because when mothers are healthy and happy, their children thrive too!

At Libertad National High School, we believe in building bridges to the future by shaping leaders like you. You are the leaders of tomorrow, and events like these help prepare you for the amazing journey ahead. So, let's work together to make our community and our world a better place for everyone!

Remember, every small act of kindness and every effort to promote peace and harmony makes a big difference. Together, we are the **Hope of The World**, can shape a brighter future for ourselves and for generations to come. Keep dreaming big and never stop believing in yourself!

Peace and Conflict Seminar and Maternal Care Activity

The Rotary Club of Midtown, under the leadership of President Jennifer Marie Alaba, in collaboration with Libertad National High School, the Philippine National Police, and SK Chairman of Brgy. Libertad Carlos Marfori Alegado for a momentous occasion: the Peace and Conflict Seminar and Maternal Care Activity. Held under the themes "Stop Gangsterism for Peace and Conflict Resolution" and "A Care for A Mother Is A Care for A Child," the event was hosted at Libertad National High School.

We express our heartfelt gratitude to Dr. Ruel T. Gabor, Principal IV of Libertad National High School, for generously providing the venue and 30 Student Leaders Group ages 16-20 and 10 Early Pregnant Women.

A special acknowledgment goes to PCL Jerahmae Pasilan of the Philippine National Police for her invaluable contribution as the Guest Speaker.

Special thanks are also extended to the Rotaract Club of Midtown Butuan, both the Community-Based and School-Based CSU Chapter, for their invaluable support and participation in this meaningful event.

Your dedication and collaboration have greatly contributed to the success of the Peace and Conflict Seminar and Maternal Care Activity.

Together, we remain committed to fostering peace, resolving conflicts, and promoting maternal care within our community.

The Rotary Club of Midtown Butuan recently had the honor of hosting a distinguished guest speaker who shared valuable insights on combating gangsterism in our community. As a gesture of gratitude for her invaluable contribution, President Jennifer Marie Alaba presented a token and a certificate of appreciation, with the assistance of District New Generation Service Teresita Muriel Corvera-Si.

The event was a momentous occasion, as our guest speaker imparted her knowledge and expertise on the crucial topic of stopping gangsterism. Her presentation was not only enlightening but also inspiring, leaving a lasting impact on all those in attendance.

President Jennifer Alaba, recognizing the significance of our guest speaker's efforts in addressing this pressing issue, expressed her heartfelt appreciation. With her guidance and expertise, our community is better equipped to tackle the challenges posed by gangsterism and create a safer environment for all and the importance of collaborative efforts in addressing societal issues and fostering positive change.

The Rotary Club of Midtown Butuan extends its deepest gratitude to our esteemed guest speaker for her dedication and commitment to making a difference in our community. Through her valuable insights and contributions, we are one step closer to building a brighter and safer future for everyone.

Title: Nurturing Mothers: The Importance of Maternal Care in Early Pregnancy

Maternal care, especially during the early stages of pregnancy, plays a crucial role in ensuring the health and well-being of both the mother and her unborn child. The Rotary Club of Midtown Butuan recently organized a Maternal Activity aimed at emphasizing the significance of caring for expectant mothers during this critical period.

During early pregnancy, proper maternal care is essential for monitoring the mother's health, detecting any potential complications, and providing necessary interventions to ensure a safe and healthy pregnancy. Regular prenatal check-ups, proper nutrition, and access to prenatal vitamins are among the key components of maternal care that contribute to a successful pregnancy outcome.

Furthermore, maternal care in early pregnancy helps to reduce the risk of maternal and neonatal complications, such as preterm birth, low birth weight, and birth defects. By ensuring that expectant mothers receive adequate support and medical attention during this period, we can significantly improve maternal and child health outcomes and promote the well-being of families and communities.

The Maternal Activity organized by the Rotary Club of Midtown Butuan served as a platform to raise awareness about the importance of maternal care and provide support to expectant mothers in our community. Through education, advocacy, and access to healthcare services, we are committed to ensuring that every mother receives the care and support she needs for a healthy pregnancy and childbirth.
