President's Message

Dear Rotary Family,

I hope you're as excited as I am for what's shaping up to be an incredible week for our club!

Today's meeting will feature an inspiring talk by Dr. Cleocita P. Portula, MD, FPSP, the esteemed Head of the Pathology Department at Eastern Visayas Medical Center (EVMC), a leading government hospital in Tacloban City, Philippines. Pathology often works behind the scenes in medicine, but its contributions are profound. With her extensive expertise, Dr. Portula will walk us through how advances in diagnostics and laboratory medicine have transformed the way illnesses are detected and treated, leading to better patient outcomes. She will also shed light on the role of pathology in public health initiatives, such as early disease detection and managing healthcare resources during crises, which is particularly relevant to the Eastern Visayas region.

Her insights promise to broaden our understanding of healthcare and reinforce the critical connection between medicine and community well-being. This talk will be instrumental for the Rotary Club as a service-giving organization, offering valuable perspectives on how we can align our initiatives to support public health more effectively.

But that's not all. This Saturday evening, we'll gather for our TRF Recognition Night, a time to celebrate the generosity and dedication of our members toward The Rotary Foundation. TRF is the backbone of many of the transformative projects Rotary is known for, and this night is about honoring the power of collective impact. Let's make it a memorable celebration of service and giving!

I look forward to seeing all of you at these events as we continue building our legacy of service and camaraderie.

Yours in Rotary Service,
Jose Antonio "Joey" Reyna
President, RY 2024-2025

Secretary's Message

Dear Fellow Rotarians,

Let me share a story that truly embodies the heart of our club and the spirit of Rotary.

Last Saturday, November 16, amidst the backdrop of a typhoon that disrupted flights and plans, our club proudly participated in the WASH (Water, Sanitation, and Hygiene) Global Grant Training in Cebu City. Led by the incredible Erica Gwynn, Rotary International's Global WASH Area of Focus Manager, the training was an inspiring blend of interactive workshops and collaborative brainstorming sessions. It challenged participants to think creatively about addressing water, sanitation, and hygiene issues, which are essential pillars of sustainable development.

Despite the storm's disruption, our dedication never wavered. One of our members braved the elements to attend in person, representing us with pride and determination. For others, whose flights were canceled, the spirit of service remained strong as they joined via Zoom, ensuring they could still contribute to the discussions and absorb every bit of valuable learning.

This experience truly showed how deeply we are committed to making a difference together. The passion and determination we brought as a club reflect the very heart of Rotary, finding ways to turn challenges into opportunities to serve.

As we take the insights and ideas from this training, let's channel our energy into meaningful projects that bring clean water, better sanitation, and improved hygiene to communities in need. Together, we can turn knowledge into impact and continue creating a future where every person has access to the essentials for a healthier life.

Thank you for embodying the Rotary spirit, rain or shine. Let's keep pushing forward with the same determination and drive.

Yours in Rotary Service,
Neil M. Sia
Secretary, RY 2024-2025

Rotary projects around the globe for November 2024

Guatemala

The Rotary Club of Guatemala La Reforma's Upcycling Art Festival featured whimsical sculptures and paintings created with cast-off materials such as paper and cardboard, wood scraps, glass, plastics, metal, rubber, and electronic waste. Like many countries, Guatemala struggles with solid waste management, notes Esther Brol, a past club president who pioneered the event in 2023. "Pushing artists out of their comfort zone by challenging them to create works of art from waste has generated wonderful results," including raising funds for club projects and The Rotary Foundation, she says. The club partnered with the Rotaract Club of Guatemala La Reforma and the Rotary Club of Los Altos Quetzaltenango to organize the three-week exposition and sale that concluded 5 June.

Canada

The annual Concert to Feed the Need has raised nearly \$90,000 since 2018 to offer meals in the Durham region in Ontario,

through a network of food banks, meal and snack programs, shelters, and other social service providers. Feed Ontario reports an increase of 47 percent in the number of employed people using food banks since 2018. "With the rising cost of food and the impact of the pandemic still being felt, food bank use is soaring," says Joe Solway, a member of the Rotary Club of Bowmanville, which initiated the event. Members of six other Rotary clubs also sell sponsorships and tickets and promote the show, an eclectic mix of pop, folk, country, rock, blues, gospel, "and maybe this year some opera," Solway says. Media attention surrounding the concert and its acclaimed performers helped it yield nearly \$23,000 in 2023. The 2024 event will take place on 8 December.

Bulgaria

In 2007, the Rotary Club of Sofia-Balkan teamed up with the Bulgarian Basketball Federation and the National Sports Academy to form a basketball club for wheelchair users, and the project has kept growing. Over the years, the club has lured coaches

from the European Wheelchair Basketball Federation to offer a player clinic, cultivated referee skills, and established a Rotary Community Corps to help. On 13 February, in conjunction with a Rotary zone event, the Bulgarian team faced off against a Serbian team for a friendly match. RI's president at the time, Gordon McInally, sounded the starting whistle and tossed the ball into play. The club's signature project is a point of pride for Rotarians, says Past Club President Krasimir Veselinov, and several organizations that advocate for people with disabilities have signed on to support the venture.

Kenya

Recognizing the importance of sleep to child development, the Rotary Club of Nairobi delivered bed kits for 8,000 school children in 2024, a milestone in a long-running project. Over the past 16 years, the club has partnered with Toronto-based charity Sleeping Children Around the World to supply bed kits to a total of 80,000 children at a cost of about \$4 million, says club member Mumbi King. Each kit includes a mat or mattress, bedding, and mosquito netting, along with school supplies and clothing. The kits have an outsize influence on children's lives, since better sleep improves health and school performance, King says. Twenty Nairobi Rotarians mobilized for the five-day delivery mission in February, serving the town

of Naro Moru at the base of Mount Kenya and other villages, including in the Maasai Mara region. "The heat couldn't keep the team from visiting the villages and interacting with the families," says King.

Ethiopia

With the wind at their backs, members of the Rotary Fellowship of Kites and its founder, Henock Alemayehu, gathered for a day of kite making and flying with 250 children, many of them displaced by conflict among the more than 80 ethnic groups in Ethiopia. The children and volunteers converged on the grounds of an elementary school in Quiha, in the northern Tigray region, for the Ashengoda Kite Festival on 9 June. "The simplicity of this activity carried profound significance, offering a rare moment of peace and joy for these children," says Alemayehu, a member of the Rotary Club of Addis Ababa Central-Mella. The kite fellowship, which has more than 100 members from 12 countries, is "creating lasting change through the simple yet powerful act of kite flying," says Alemayehu.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR** to all concerned?
- 3 Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL** to all concerned?
