President's Message

Dear Fellow Rotarians,

I am excited to share the finalized details of our Autism Awareness Initiative, happening on January 19, 2025, at the Burayan Gym, San Jose, Tacloban City. This event, organized in observance of Autism Awareness and Consciousness Month, is a collaborative effort led by the Rotary Club of Tacloban in partnership with the J.E.S.U.S. Kids Therapy Center Foundation, Inc., together with District 3860, Areas 3B1 and 3B2, and the Rotaract City Council.

We are honored to announce that Dr. Sheryl Bañez-Palami, a Developmental Pediatrician, and Mr. Hentze Maxilom Loseñara, an Occupational Therapist from VMSC, Cebu, will grace the event with their presence. Their expertise will undoubtedly enrich our understanding of autism and the ways we can support individuals and families in our community.

The event also promises engaging activities, including a special performance by the JKTC Teachers and a lively Circus Show. Furthermore, there will be a free Occupational Therapy Evaluation and Behavioral Skills Screening, an essential opportunity for families to access early detection and intervention services. These services are critical in supporting the development and well-being of children with autism, helping them reach their full potential.

This year's theme, "Painting Smiles with Colors of Diversity," reflects our shared commitment to celebrating the uniqueness of every individual and advancing a community that values inclusion and understanding.

Let us take pride in this initiative, which raises awareness and creates a meaningful impact on the lives of those we serve.

Yours in Rotary Service,
Jose Antonio "Joey" Reyna
President, RY 2024-2025

Secretary's Message

Dear Fellow Rotarians,

We recently reviewed the performance of our club based on the District Report Stats, which reflect activities submitted under Rotary's 7 Areas of Focus. This analysis has highlighted areas where we can further strengthen our efforts to ensure our initiatives are well-documented and maximized.

The findings revealed that activities reported as recurring or conducted across multiple locations and dates significantly increase the visibility of service initiatives. For instance, projects like feeding programs, when reported daily across different barangays or schools, are recorded as multiple entries. Similarly, duplications of reports under additional categories, such as district goals, contribute to higher submission counts. Even small-scale activities with fewer participants were noted to add valuable entries, demonstrating that every effort, no matter the size, holds significance.

To elevate our performance, we can focus on organizing long-term, multi-location projects that span several days and prioritize initiatives with substantial community impact. A great example is the proposed deworming program, which could be implemented in numerous schools or barangays and reported under multiple focus areas. Such activities will address critical needs and highlight the breadth of our club's dedication to service.

Let's continue to grow the impact of our efforts by making every project count toward our shared goals. We can make our initiatives more visible and meaningful, leaving a lasting legacy of service that touches more lives.

Yours in Rotary Service,
Neil M. Sia
Secretary, RY 2024-2025

Trustee chair's message for January 2025

January marks a fresh start, a time to take stock of what we have achieved and plan for future success.

It is important to remember that we are in the middle of a major year for fund development. The Rotary Foundation has set an ambitious goal to grow Rotary's Endowment to \$2.025 billion by this year, 2025. This will only be possible through the generous support of every person reading this message.

January is also Vocational Service Month, when we recognize how vital each member's professional calling is to the work Rotary accomplishes.

During the Arch Klumph Society weekend in October, Gay and I were inspired by the diverse vocations represented among some of our most generous supporters. They included teachers, engineers, health care professionals, and builders. Uniting them was a shared commitment to building a better world through The Rotary Foundation.

So many of us bring the insight of our professions into Rotary through Vocational Service. The Rotary Foundation Cadre of Technical Advisers exemplifies this. These Rotary members use specialized skills to guide project planning, grant applications, and evaluations, ensuring the projects you fund and implement are sustainable and effective.

The work of The Rotary Foundation, from safe water initiatives to literacy programs, depends on regular giving by our members. One convenient solution for many is Rotary Direct, which provides a simple way to make monthly, quarterly, or annual contributions. This empowers Rotary to plan effectively, respond promptly to urgent needs, and continue transforming lives.

The Paul Harris Society, which honors those who contribute \$1,000 or more annually, also strengthens the Foundation. Paul Harris Society members, like Klumph society members and Rotary Direct contributors, embody the spirit of sustained giving.

When setting your personal goals for this year, remember that by supporting The Rotary Foundation, you extend your impact worldwide. Every contribution — no matter the size — adds to the momentum driving meaningful change. So, as we enter 2025, let us reaffirm our commitment to The Rotary Foundation.

By combining our efforts and our giving with others in our great organization, we can truly say that no matter our vocation or location, we are contributing to a global force for good.

Thank you for all you do.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR** to all concerned?
- 3 Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL** to all concerned?
