# President's Message

Dear Fellow Rotarians,

Welcoming our friends from RC Fukushima Minami, Japan is a special moment for the Rotary Club of Tacloban. As we open our doors to them, we also open the possibility for lasting friendships and deeper collaborations that transcend borders.

I sincerely appreciate your invaluable contributions to ensuring that our guests experience the best of our hospitality. Your hard work has been instrumental in making this visit a truly memorable and meaningful experience for all involved.

This visit is a significant milestone for our club, providing an opportunity to share with our guests the rich history, resilience, and strength of Tacloban. Through the places they will visit, we aim to showcase a community that has faced numerous challenges and continues to rise above them with unity and determination. The chance to show them the very essence of Tacloban, its cultural landmarks, and the heart of its people, is a privilege that we are all proud to share.

The projects we've accomplished together, alongside those we hope to bring to life, highlight the far-reaching impact of our collective efforts. This is our chance to showcase how our commitment to service above self is changing lives, promoting growth, and creating a brighter future. Your tireless dedication has made it possible for us to present these initiatives with confidence, knowing they align with the values that define our club.

I would also like to express my heartfelt thanks to the delegates from RC Fukushima Minami, Japan. Their visit strengthens our connection and reminds us of how deeply we are united across borders through service and friendship. It is a true reflection of their commitment to building global relationships based on understanding and respect. Their presence here means so much to all of us.

As we prepare to host them, I am hopeful that this visit will open the doors to new opportunities for collaboration, allowing us to create lasting partnerships that will continue to grow long after they return home. Together, we have the power to make an even greater impact, building a brighter future for both our communities.

Once again, thank you for everything you have done to make this visit possible. I look forward to the positive changes and lasting connections that will emerge from this remarkable experience.

Yours in Rotary Service,

Jose Antonio "Joey" Reyna  
President, RY 2024-2025

# Secretary's Message

Dear Fellow Rotarians,

As we prepare to welcome our friends from the Rotary Club of Fukushima Minami, Japan on February 8-9, let us see this visit as an opportunity to celebrate the friendships we have built and explore new ways to collaborate. Their presence here allows us to highlight the resilience and generosity of our community, alongside the rich heritage of Tacloban.

Throughout their stay, our guests will experience the heart of Tacloban through meaningful visits to landmarks that hold historical and cultural significance. Their time at the Madonna of Japan, Tacloban City Hall, and our very own Rotary Club of Tacloban Club House will serve as a reminder of the strong bonds between our clubs and our shared commitment to service. Visits to Sacred Heart School and Eastern Visayas Medical Center will highlight the importance we place on education and healthcare, while moments of reflection at the Yolanda Shipwreck Memorial Park and the Holy Cross Memorial will allow us to honor the past and the strength we have gained from it. Their journey will also bring them to the historic MacArthur Landing Memorial, a place that speaks of courage, hope, and the lasting impact of partnerships.

While these activities are meaningful, what will truly make this visit special is the warmth of our hospitality and the time we spend together. Welcoming them at the VIP Lounge and spending time together at the Summit Hotel and the Luxury Suites gives us the chance to form lasting

connections. As we share meals, enjoy casual conversations, or reflect together, let's make sure they leave Tacloban with stories of the sights they've seen and with memories of the people who made them feel truly at home.

Your participation is what will make this visit truly special. Together, we have the chance to create a meaningful experience for our friends from Fukushima Minami, one that they'll remember for years to come. Let's make the most of this opportunity to connect and make a difference.

Yours in Rotary Service,

Neil M. Sia  
Secretary, RY 2024-2025

## Rotary Club of Fukushima Minami Visit February 8-9, 2025

### Presidential Message for February 2025

This month, as we come together for the International Assembly and the Presidential Peace Conference, we celebrate The Magic of Rotary — a unique blend of global connection, vision, and action that empowers us to create lasting change.

One of the most inspiring examples is our Rotary Peace Fellowship program, a cornerstone of Rotary's mission to build a more peaceful and just world.

For more than 23 years, Rotary Peace Fellowships have been transforming communities. Our Rotary Peace Centers, hosted at leading universities around the globe, have educated over 1,800 fellows who now work in more than 140 countries.

These centers cultivate expertise in fields like conflict resolution, sustainable development, and peacebuilding, preparing fellows to tackle some of the world's most pressing challenges. This program exemplifies how Rotary turns vision into action, creating a ripple effect of hope and change.

This month during the Presidential Peace Conference, we celebrate a significant milestone with the opening of our newest peace center in Istanbul. This center will focus on training leaders to address peacebuilding challenges in the Middle East and North Africa, further extending Rotary's impact.

Peace fellows are dedicated champions of transformation, addressing critical issues such as refugee resettlement, youth and women's empowerment, and reconciliation in conflict zones. Many

founded vital organizations or hold leadership roles in governments, nongovernmental organizations, and international institutions like the United Nations and World Bank.

One inspiring story is that of Ntang Julius Meleng, a 2024 Rotary Peace Fellow at Makerere University in Uganda. Through his Social Change Initiative, Julius has worked to empower young people in Cameroon to take active roles in peacebuilding and leadership.

His project provided training in conflict prevention, civic engagement, and leadership to youths and community officials in areas affected by conflict, equipping people to drive sustainable peace efforts.

Julius harnessed Rotary's global network to overcome obstacles, including limited funding and security risks, and make a meaningful impact.

The Rotary Peace Fellowship gave Julius the tools and support to turn his vision into reality. His work embodies The Magic of Rotary — the transformative power of connecting people, sharing resources, and uniting for a common purpose.

As we reflect on the achievements of our peace fellows and celebrate Rotary's enduring commitment to peace, let us also recognize the role that everyone in our network of 1.2 million members plays in creating magic through service.

Together, we can amplify our impact, inspire new generations of leaders, and build a brighter, more peaceful future.

# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR** to all concerned?
- 3 Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL** to all concerned?
