President's Message

Happy Valentine's Day, dear Rotarians and friends!

As we celebrate this season of love, may we all find joy in expressing love in ways that warm the hearts of those dear to us. May tomorrow be a reminder that the greatest love is one that uplifts others and brings light to their lives.

This past week, we had the privilege of welcoming the Rotary Club of Fukushima Minami, Japan, and we are deeply grateful for their visit. Their presence was a reaffirmation of our strong bonds of fellowship and a demonstration of the shared commitment of Rotarians across the world to making a difference. During their time with us, they left behind thoughtful souvenir items, which meant goodwill and mutual appreciation for us. We also extend our sincere appreciation to District Governor Caroline "Caycay" Andrade for warmly welcoming our guests and ensuring they left with tokens of appreciation that reflect the hospitality of our club and district.

As we move forward, we are eager to push for initiatives that are both timely and impactful for our community. During their visit, we shared with them our key initiatives, including the Mobile Kitchen Project, which aims to provide immediate food assistance during disasters and support feeding programs for vulnerable sectors. We also presented the AIDS Awareness and Prevention Initiative, a response to the growing need for education and proactive measures to address HIV/AIDS in our city. Both of these initiatives tackle real and pressing concerns, and we are hopeful for a positive response that will allow us to turn these plans into meaningful action.

A heartfelt thank you to all who made RC Fukushima Minami's visit a success. Your efforts, commitment, and generosity of time are deeply appreciated. Experiences like these reaffirm the incredible impact we can achieve as a united Rotary family.

May this season of love continue to inspire us in our journey of Service Above Self. Wishing you all a meaningful and love-filled Valentine's Day!

Yours in Rotary Service,

Jose Antonio "Joey" Reyna
President, RY 2024-2025

Secretary's Message

Greetings of fellowship and purpose, fellow Rotarians!

The visit of the RC Fukushima Minami, Japan, on February 8-9 was truly a time to celebrate a boundless service. A spirited sense of connection and celebration defined their arrival as we welcomed them with the full force of our hospitality, eager to the vibrant spirit of our club. Over two days, we strengthened bonds, revisited significant places, and explored new opportunities for collaboration. These remind us of the power of partnerships in making a lasting impact.

Their first stop was a lunch at Ocho, a restaurant known for serving some of the finest local dishes, which is an experience truly fitting for our special guests. In the afternoon, we proceeded to Sacred Heart School for a heartfelt program where students performed musical and dance numbers, filling the room with joy and appreciation. That evening, we gathered at Luxury Suites for a fellowship dinner. The Rotary Club of Tacloban's tradition of fellowship thrived, bringing heartfelt conversations and closer connections.

The morning of February 9 began with a visit to the Yolanda Mass Grave. This is a powerful reminder of nature's strength and the tragedy's enduring legacy. This visit underscored the importance of partnerships in rebuilding and strengthening communities. From there, we proceeded to the Eastern Visayas Medical Center (EVMC), a particularly meaningful stop as our guests had visited the hospital in the aftermath of Yolanda. Seeing the improvements in the facility showcased the resilience of Taclobanons and the transformative effect of continued support and development.

At noon, we held our regular meeting, which became a platform for exchanging ideas and discussing future collaborations. Among the many meaningful conversations, the highlight was the discussion of potential projects that could strengthen our partnership with the Rotary Club of Japan Fukushima. In the afternoon, our guests visited key landmarks on a city tour, highlighting the New Capitol Building and the historically and culturally significant MacArthur Park. By 5 PM, we escorted them to the airport, bringing their visit to a close but leaving us all with a sense of gratitude and excitement for future endeavors together.

We hope our guests felt the warmth of a welcoming place, enjoyed the richness of local flavors, and embraced the joy of meaningful experiences with wonderful people.

Yours in Rotary Service,

Neil M. Sia
Secretary, RY 2024-2025

Rotary Club of Fukushima Minami Visit February 8-9, 2025

February is Peacebuilding and Conflict Prevention Month in Rotary

February marks Rotary Peace Building and Conflict Prevention Month, a time for Rotary members worldwide to come together in celebration of their commitment to building peace and mitigating conflicts. With Rotary's Birthday falling on February 23, coinciding with World Understanding and Peace Day, this month holds special significance for the Rotary community.

activities within the scope of peacebuilding and conflict prevention, such as group activities, training programs, and campaigns addressing conflict-related issues. However, certain activities, like peace conferences primarily involving Rotarians or programs focused on music or sports without robust peacebuilding aspects, are considered outside the scope and ineligible for global grant funding.

Peacebuilding and Conflict Prevention Initiatives

Rotary's support for training, education, and practices related to peacebuilding and conflict prevention is crucial for transforming conflicts globally. The Rotary Foundation (TRF) plays a vital role in enabling Rotarians to advance these efforts by focusing on specific goals:

1. Enhancing the capacity of individuals and communities to transform conflict and build peace.
2. Training community members in peace education, peace leadership, and conflict prevention and resolution.
3. Providing services to integrate vulnerable populations into society.
4. Improving dialogue and community relations to manage natural resources effectively.
5. Funding graduate scholarships for professionals dedicated to peacebuilding and conflict prevention.

Elements of Successful Humanitarian Projects and Vocational Training Teams

Peacebuilding and conflict prevention global grants are sustainable, measurable, and community-driven. Sponsors are encouraged to set targets and identify measurements to track project outcomes. The success of projects is determined by their ability to contribute to sustainable progress in peacebuilding and conflict prevention even after Rotary clubs or districts complete their work.

Elements of Successful Scholarships

Global grants also support graduate-level scholarships for professionals pursuing careers in peacebuilding and conflict prevention. TRF considers various factors when evaluating scholarship applications, including the applicant's previous professional experience in the field, the alignment of academic programs with peacebuilding and conflict prevention, and the applicant's career plans related to peace and conflict transformation.

Eligibility Criteria for Global Grants

TRF outlines parameters for eligibility, specifying

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR** to all concerned?
- 3 Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL** to all concerned?
