# President's Message

Rotary greetings to you all, in fellowship and shared purpose!

Our club moves forward with purpose, driven by the commitment of those who make things happen. The road ahead is filled with opportunities to uplift lives, and I am constantly inspired by the unwavering spirit that fuels our journey.

With this in mind, I am excited to share that on February 23, we will celebrate 120 years of Rotary. This is a story about people coming together to serve, connect, and create change. For more than a century, Rotarians have given their time, skills, resources, ideas, and hearts to support communities. In celebrating this journey, we carry forward the same service that has defined Rotary for generations.

It is also World Peace and Understanding Day, a moment to reflect on how service strengthens communities and builds bridges of understanding. It reminds us of the acts of kindness we share that leave a lasting impact. On this day, let us honor the bonds that unite us and the shared hope for a more peaceful world.

At the core of Rotary's mission is the call to act when communities are in need. On February 17, 2025, a fire broke out in Brgy. 39 Calvary Hill, Tacloban City, displacing families and affecting students renting in the area. They need urgent help. The Rotaract Club of Tacloban leads the work to provide immediate relief and support. This is our chance to stand with them.

We are also honored to welcome Mr. Keith L. Po, Manager of RH Solar, to our regular meeting. As the mind behind the solar energy systems of company-owned McDonald's branches and other major businesses in the country, he is leading efforts in sustainability and innovation. His insights will shed light on opportunities for advancing clean energy and responsible business practices.

Finally, let's make time to strengthen our connections and celebrate friendships at the upcoming Rotary Fellowship Night on February 27 at 7:00 PM at the Rotary Center. It will be an evening to enjoy the company of those who make Rotary a true community of service and friendship.

Looking forward to seeing you all soon!

Yours in Rotary Service,

Jose Antonio "Joey" Reyna  
President, RY 2024-2025

# Secretary's Message

Greetings of camaraderie and commitment, fellow Rotarians!

I hope this message finds you well and inspired as we continue this meaningful journey of service. I wanted to take this opportunity to keep everyone updated and connected as we move forward with purpose.

First, a gentle reminder to those who haven't yet settled their club dues. Your support keeps our projects thriving and allows us to do more for our community. I also encourage everyone to take part in the Every Rotarian Every Year (EREY) program by contributing at least \$25 to The Rotary Foundation. Your generosity will strengthen Rotary's mission and empower more impactful projects in communities near and far.

We've also sent our monthly report to the district and are now focused on updating the Rotary International Club Central for the RI Challenge. This process keeps us aligned with Rotary's mission. It's also a way of showing the impact we're making and how each step forward supports our commitment to service.

Let me also update the club that the Deworming Project remains a growing priority. It's a seed we planted with the hope of nurturing healthier communities, especially for our young children. We'll continue to invest in it and build on its success, knowing that these small steps today can lead to lasting change tomorrow.

In today's meeting, we're excited to welcome Mr. Keith L. Po, Manager of RH Solar. As a leader in solar energy for major businesses like McDonald's, he'll share insights on sustainability and responsible innovation.

Finally, as we prepare to celebrate Rotary's 120th Anniversary on February 23, 2025, let's think about how we can make this milestone meaningful. One of our district goals is to boost Rotary's visibility and highlight our identity as People of Action. I'd love to hear your ideas on how we can turn this celebration into something truly impactful for our community.

Thank you for always showing up with your time and your dedication. This drive keeps us inspired and turns efforts into real impact.

Yours in Rotary Service,

Neil M. Sia  
Secretary, RY 2024-2025

## World Peace & Understanding Day and Rotary's 120th Anniversary February 23, 2025

This day marks a significant moment in history—the founding meeting of Rotary International, which set the stage for a global effort toward peace and understanding across the world. It's a day that not only celebrates the origins of an organization dedicated to global humanitarian service but also reminds us of the ongoing need for peace and mutual understanding among all nations and communities.

For Rotarians, as members of a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to

education, and unequal distribution of resources.

Our commitment to peacebuilding today answers new challenges: how we can make the greatest possible impact and how we can achieve our vision of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peacebuilding, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

Individuals can contribute to peace by engaging in community service, educating themselves and others about peace and conflict resolution, participating in or organizing events that promote cultural understanding, and supporting peacebuilding organizations either through donations or volunteer work.

## The RI president-elect speaks about the power of Rotary's members

Rotary International President-elect Mário César Martins de Camargo asked members to Unite for Good by embracing growth, service, and connection as he outlined a plan to expand “the best-qualified team of volunteers on the planet.”

“Rotary’s greatest asset is not our history, our projects, or even our unmatched global reach. It is our members,” de Camargo said at the organization’s International Assembly in Orlando, Florida, USA, on 10 February. He noted praise from one of Rotary’s partners about “the extraordinary dedication” of Rotary members. “That recognition from an outsider deepened my understanding: Rotary’s greatest gift to the world is its people.”

De Camargo, a member of the Rotary Club of Santo André, São Paulo, Brazil, emphasized the importance of seeking out new perspectives and strengthening Rotary’s service to communities around the globe. He outlined three “essential pillars” for growth: innovation, continuity, and partnership.

### Innovating while also building a consistent legacy

Noting how quickly the world changes, de Camargo urged members to innovate.

“Technology, social expectations, and

economic conditions evolve constantly, and Rotary must evolve with them,” he said. “Innovation is how we adapt to this changing world.”

One important way to do this, de Camargo said, is by embracing and promoting a variety of club models. Satellite clubs, cause-based clubs, enterprise clubs, and passport clubs offer people different ways to experience Rotary. Noting that his wife helped charter a satellite club with nearly 50 members, he said, “Future Rotary members are out there. We must meet them where they are.”

De Camargo also emphasized the importance of leadership continuity and said he observed its benefits during his extensive travels in the past 18 months. Districts thrive, he said, when governors build on their predecessors’ efforts, ensuring that programs and strategies continue without interruption.

He cited an effort to build wells in Nigeria, an initiative in Pakistan that helped people affected by devastating floods to find a better future, and a Rotary grant-funded program in India where children get lifesaving care.

“Continuity is not about uniformity; it’s about alignment,” de Camargo said. “When district leaders work together, envisioning Rotary beyond their ‘governor year,’ they set the stage for long-term success.”

# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR** to all concerned?
- 3 Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL** to all concerned?
