77 YEARS OF SERVICE ABOVE SELF

# President's Message

With fellowship and dedication, I extend my greetings to all Rotarians!

March in Rotary highlights the importance of Water, Sanitation, and Hygiene. Access to clean water and proper sanitation is essential for health, education, and economic stability. Without these basic necessities, individuals and communities face significant challenges in daily life. As UNESCO reminds us, "Water is a unique and non-substitutable resource, indispensable for life and sustainable development." Yet, millions around the world still struggle with access to safe drinking water and adequate sanitation.

As Rotarians, we are driven by the desire to make a real difference in people's lives. We have seen firsthand the impact of clean water: how something as simple as a Jetmatic pump can ease daily struggles, how a project like SOAPRise can create opportunities for the Mamanwa Tribe, and how a proposed water system can bring hope to the people of San Pablo Island. This month is a chance to reflect on these efforts and ask ourselves how we can do even more, reaching more communities and ensuring that safe water is not a privilege but a reality for those who need it most.

March also marks an important time of spiritual reflection, with the beginning of the Lenten season. Yesterday, we observed Ash Wednesday, a solemn reminder of renewal, sacrifice, and compassion. This season encourages us to look inward and extend kindness to those around us. Just as Lent calls for acts of service and generosity, Rotary provides us with a platform to transform these values into action.

May this month inspire us to deepen our faith and renew our commitment to service, bringing hope to others through the work that we do.

Yours in Rotary Service,

Jose Antonio "Joey" Reyna  
President, RY 2024-2025

# Secretary's Message

A warm Rotary greeting filled with friendship and commitment to service!

Reaching 120 years is a remarkable milestone, and for Rotary, it represents decades of service beyond self that have made a lasting impact on communities around the world. This anniversary was a time to reflect on that journey and celebrate the people who continue to carry its mission forward.

On February 23, our area gathered for a fellowship night. It was an evening filled with warmth, laughter, and the joy of being among friends who share the same passion for service. Having District Governor Caroline "Caycay" Andrade with us made the evening even more meaningful. Her warmth and support reminded everyone of the shared purpose that brings us together. The stories and genuine connections throughout the night was a good reminder why Rotary feels like family.

I regret not being able to attend another opportunity to have fellowship with you all, but I have heard many wonderful stories about the gathering. Thank you to everyone who made the event possible and to those who took the time to celebrate this special occasion.

Looking ahead, I am excited for more gatherings that bring us together, which will usher lasting memories and deepen the friendships that make our journey in Rotary so meaningful.

Yours in Rotary Service,

Neil M. Sia  
Secretary, RY 2024-2025

## Rotary International Presidential Message for March 2025

March is here, and for Rotary International, that means celebrating Water, Sanitation, and Hygiene Month — a time to shine a spotlight on one of the most transformative areas of our work.

This month is an opportunity to reflect on The Magic of Rotary and the profound impact we create when we come together with determination and purpose.

Years ago, I experienced this magic firsthand in the Dominican Republic. When a group of members helped people install water filters, three children watched with amazement as dirty water entered one end of a filter and clean water emerged from the other. When we paused the demonstration, one child tugged at my sleeve and pleaded, "Show me the magic again."

To them, it felt magical. It was also the result of countless hours of effort — planning, transporting, and installing the filters — alongside local partners who were dedicated to making clean water accessible. In that moment, I realized that what seemed like a small act could change residents' lives. That is The Magic of Rotary.

This story is a testament to the incredible potential of our global family to create change. Water projects exemplify our reach, our partnerships, and our unwavering commitment to improving lives. Consider Rotary's work with USAID. That partnership has enabled us to work with communities and governments to improve access to sustainable water and sanitation services for thousands of people in the Dominican Republic, Ghana, the Philippines, and Uganda.

Partnerships remind us that Rotary's impact is amplified when we work together. Through our strategic alliance with the United Nations Environment Programme, we're advancing the Community Action for Fresh Water initiative. This program equips Rotary members with the tools and resources to protect, restore, and sustain freshwater ecosystems.

When we make use of Rotary grants and advocate for clean water in our communities, we create a ripple effect that extends far beyond individual projects.

As we embrace the spirit of the month, I encourage every Rotary member to seek out new partnerships. Collaboration multiplies our efforts and helps us reach more people in need.

Whether it's joining forces with local organizations, forming alliances with international agencies, or mobilizing your community, every step we take together brings us closer to a world where everyone has access to clean water and safe sanitation.

The Magic of Rotary shines brightest when we work in harmony with others to create lasting good. Together, we can turn dreams into realities that transform lives and communities. The result may feel like magic at times, but we know it's from the power of our collective commitment and compassion. Let's harness this magic to make a difference this month and beyond.

# OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service;
- 2 High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- 3 The application of the ideal of service in each Rotarian's personal, business, and community life;
- 4 The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR** to all concerned?
- 3 Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL** to all concerned?
